Description

Dreame AirStyle Pro 7-in-1 Hair Styler The Dreame AirStyle Pro 7-in-1 Hair Styler is a complete styling system designed to dry, curl, smooth, straighten, and add volume with one device. With JetAirflow™ technology, 60m/s airflow, dual 32mm Auto-Wrap barrels, smoothing brushes, a volumizing brush, and a premium leather-textured design, it is built for fast everyday styling with multiple looks from a single set. Key Features 7-in-1 Styling SystemDry, curl, smooth, straighten, control flyaways, and add volume with one set. JetAirflow™ TechnologyDelivers powerful airflow for faster drying and styling. 60m/s AirflowProvides strong drying performance to reduce styling time. 32mm Auto-Wrap BarrelsUses 360° spiral airflow to wrap hair around the barrel for easier curling. Fast CurlingDesigned to create curls quickly with controlled airflow. Hard & Soft Smoothing BrushesOffers different levels of smoothing for varied hair types and styling needs. Round Volumizing BrushHelps add body and lift while styling. Premium Ergonomic DesignLeather-textured grip provides a comfortable and refined feel. Main Feature Sections Dry and Style with One SystemThe AirStyle Pro combines drying and styling attachments, reducing the need to switch between multiple separate tools. Auto-Wrap CurlingThe 32mm barrels use 360° airflow to attract and wrap hair around the barrel, making curling easier and more controlled. Fast Drying PerformanceWith airflow reaching up to 60m/s, the fast dryer attachment is designed to remove moisture efficiently before or during styling. Multiple Styling OptionsThe included smoothing brushes, round volumizing brush, flyaway attachment, and curling barrels support straight, smooth, curled, and voluminous looks.
