Description

Dreame T3 Professional Grooming Trimmer The Dreame T3 Professional Grooming Trimmer is built for precise beard, hair, and body grooming with a 7,000 RPM high-speed motor, professional T-blade, adjustable blade head, long 180-minute runtime, and LED display. With multiple combs ranging from short beard lengths to longer trims, it is designed for sharp lines, clean fades, and controlled everyday grooming. Key Features 7,000 RPM High-Speed MotorDelivers smooth, powerful trimming with reduced pulling. Precision T-BladeDesigned for sharp lines, clean edges, and detailed styling. Adjustable Blade HeadTwo blade settings help improve access around areas such as the chin and neck. 8 Attachment CombsSupports beard, hair, and body grooming across multiple lengths. DLC-Coated BladesDiamond-Like Carbon coating helps reduce friction and improve cutting smoothness. 180-Minute RuntimeLong cordless operation for home, travel, or professional-style grooming. Smart LED DisplayShows battery level and motor speed during use. Main Feature Sections Professional Precision at HomeThe T3 is designed for clean beard lines, fades, short trims, and detailed grooming with a precision blade system and strong motor performance. Versatile Length ControlEight comb attachments cover different grooming needs, including beard, hair, and body trimming, with supported lengths from approximately 1.5mm to 13mm. Durable Blade ConstructionThe blades use metal powder die-casting and DLC coating to improve density, sharpness, durability, and low-friction performance. Long Battery LifeUp to 180 minutes of runtime provides enough power for repeated grooming sessions before recharging.
