Description

Karcher K 5 Classic Pressure Washer The Karcher K 5 Classic is a compact 2100W pressure washer designed for regular cleaning of moderate dirt around the home. With up to 145 bar pressure, a maximum flow rate of 500L/h, 40m²/h area performance, an 8m high-pressure hose, Vario Power Jet, dirt blaster, telescopic handle, and water suction capability, it combines stronger cleaning power with easy storage and transport. Key Features Up to 145 Bar PressureDelivers strong cleaning performance for regular household and outdoor use. Maximum 500L/h Flow RateSupports efficient rinsing and faster cleaning of larger surfaces. 40m²/h Area PerformanceSuitable for regular cleaning of moderate dirt across patios, vehicles, fences, and outdoor equipment. 8m High-Pressure HoseProvides better reach around vehicles and larger cleaning areas. Vario Power JetLets you adjust pressure according to the surface and cleaning task. Dirt BlasterProvides a concentrated rotating jet for tougher dirt. Telescopic Aluminium HandleExtends for transport and retracts for compact storage. Front Hose StorageThe high-pressure hose can be stored around the front cover after use. Main Feature Sections Stronger Cleaning PerformanceWith 2100W input power, up to 145 bar pressure, and up to 500L/h flow, the K 5 Classic is designed for regular cleaning of moderate dirt around the home. Compact and Easy to StoreDespite its stronger performance, the K 5 Classic remains compact enough for shelf storage or transport in a car boot. Flexible Cleaning ToolsThe Vario Power Jet handles adjustable everyday cleaning, while the Dirt Blaster is intended for more stubborn dirt on suitable surfaces. Detergent & Water Suction SupportThe unit includes a suction hose for detergent application and also supports water suction for added flexibility.
