Description

Karcher K 4 Classic Pressure Washer The Karcher K 4 Classic is a compact 1800W pressure washer designed for regular cleaning of moderate dirt around the home. With up to 130 bar pressure, 420L/h water flow, a 6m high-pressure hose, Vario Power Jet, dirt blaster, and telescopic handle, it combines strong cleaning performance with easy storage and transport. Key Features Up to 130 Bar PressureSuitable for regular cleaning of moderate dirt on vehicles, bicycles, fences, and outdoor surfaces. 420L/h Water FlowDelivers strong water output for efficient everyday cleaning. 30m²/h Area PerformanceDesigned to clean moderate outdoor areas efficiently. Compact DesignEasy to store in a cupboard, garage, or car boot. Height-Adjustable Telescopic HandleMakes transport more comfortable and helps reduce storage space. Quick Connect SystemAllows faster connection of the high-pressure hose to the machine and gun. Vario Power JetLets you adjust the spray pressure according to the cleaning task. Dirt BlasterProvides a concentrated rotating jet for tougher dirt. Main Feature Sections Compact but PowerfulDespite its small dimensions, the K 4 Classic delivers up to 130 bar pressure and 420L/h flow, making it suitable for a wide range of regular household cleaning tasks. Flexible Cleaning PerformanceThe Vario Power Jet is useful for adjustable cleaning, while the Dirt Blaster provides extra power for more stubborn dirt. Easy to Move and StoreThe telescopic aluminium handle can be adjusted for comfortable pulling and collapsed for more compact storage. Simple Everyday SetupThe Quick Connect system reduces setup time, while the integrated water filter helps protect the pump from dirt particles.
