Description

CMF Clip Pro by Nothing Open-Ear Earbuds The CMF Clip Pro by Nothing are lightweight open-ear earbuds designed for comfortable all-day listening without blocking the ear canal. With 10.8mm dynamic drivers, Hi-Res Audio certification, a 5.92g lightweight clip design, 4-mic calling system with VPU voice pickup, Smart Dial controls, Bluetooth 5.4, dual-device connectivity, and up to 32.5 hours total playback, they combine open-ear comfort with smart everyday features. Key Features Open-Ear Clip DesignKeeps the ear canal open for greater awareness of your surroundings. 5.92g Ultra-Light FitCustom 3-point clip distributes pressure across three areas for a secure and comfortable fit. 10.8mm Dynamic DriversDesigned to deliver energetic bass with clear high frequencies. Hi-Res Audio CertifiedSupports higher-quality audio playback with compatible sources and content. 4 HD Microphones + VPUVoice Pickup Unit separates your voice from surrounding noise for clearer calls. Smart Dial ControlsRotate or press the dial for intuitive playback and control functions. Up to 10 Hours PlaybackLong single-charge listening for daily use. Up to 32.5 Hours TotalExtended playback when used with the charging case. Main Feature Sections Comfortable Open-Ear ListeningThe Clip Pro rests around the ear instead of sealing the ear canal, helping users stay aware of traffic, coworkers, or other surrounding sounds. Clear Calls in Noisy EnvironmentsA 4-microphone system and dedicated VPU work together to separate speech from environmental noise, helping improve call clarity on busy streets or in windy environments. Smart Features Through Nothing XThe Nothing X app provides access to features including custom EQ settings, Spatial Audio, Anti-Leakage Mode, and other personalization options. Stable Everyday ConnectivityBluetooth 5.4 supports modern wireless performance, while dual-device connectivity allows easier switching between compatible devices.
