SKU	cm-DST8021
Brand	Philips
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$199.00
Available quantity	100

Description

Philips Azur 8000 Series Steam Iron The Philips Azur 8000 Series Steam Iron combines 3000W power, OptimalTEMP technology, strong steam performance, and a SteamGlide Elite soleplate for fast, hassle-free ironing. With 55g/min continuous steam, a 240g steam boost, 300ml water tank, vertical steaming, Quick Calc Release, and automatic shut-off, it is designed to handle everyday garments and stubborn creases without manual temperature adjustment. Key Features 3000W PowerProvides fast heat-up and powerful ironing performance. OptimalTEMP TechnologyAllows you to iron different ironable fabrics without changing temperature settings. 55g/min Continuous SteamDelivers consistent steam for efficient crease removal. 240g Steam BoostProvides extra steam power for stubborn creases and thicker fabrics. SteamGlide Elite SoleplateOffers smooth gliding with durable, scratch-resistant performance. 300ml Water TankAllows longer ironing sessions with fewer refills. Quick Calc ReleaseHelps remove limescale buildup and maintain steam performance. Automatic Shut-OffSwitches the iron off automatically after inactivity. Main Feature Sections No Temperature Settings NeededOptimalTEMP technology provides one optimized temperature for ironable fabrics, allowing you to move from jeans to silk or linen to cashmere without pre-sorting or waiting for temperature changes. Strong Steam for Faster IroningThe Azur 8000 Series delivers up to 55g/min continuous steam and a 240g steam boost for tougher creases. SteamGlide Elite PerformanceThe SteamGlide Elite Rosecopper soleplate is designed to glide smoothly across garments while offering good durability and scratch resistance. Vertical Steam for Hanging GarmentsSteam boost can also be used vertically to refresh hanging clothes and help remove creases from curtains. Technical Specifications Product Type: Steam Iron Brand: Philips Series: Azur 8000 Series Power: 3000W Continuous Steam: Up to 55g/min Steam Boost: Up to 240g OptimalTEMP Technology: Yes Soleplate: SteamGlide Elite Rosecopper Water Tank Capacity: 300ml Vertical Steam: Yes Drip Stop: Yes Tap Water Suitable: Yes Calc Management: Quick Calc Release Auto Shut-Off: Yes Auto-Off Time: Approx. 8 minutes Power Cord Length: 2.5m Color: Purple Iron Weight: 1.68kg Steam Performance Continuous Steam: 55g/min Steam Boost: 240g Water Tank: 300ml Vertical Steam: Supported The continuous steam handles everyday creases, while the stronger boost is useful for heavier fabrics and stubborn wrinkles.
