Product	Philips GC3929 PerfectCare Steam Iron
SKU	cm-GC3929
Brand	Philips
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$185.00
Available quantity	100

Description

Philips PerfectCare Steam Iron GC3929 The Philips PerfectCare Steam Iron GC3929 is designed for fast, simple ironing without manual temperature adjustment. With 2400W power, OptimalTEMP technology, 45g/min continuous steam, 185g steam boost, SteamGlide Plus soleplate, automatic shut-off, drip-stop protection, and built-in Calc Clean, it is suitable for everyday ironing across a wide range of ironable fabrics. Key Features 2400W PowerHeats up quickly for efficient everyday ironing. OptimalTEMP TechnologyAllows ironing different fabrics without changing temperature settings. 45g/min Continuous SteamProvides steady steam output for faster crease removal. 185g Steam BoostHelps tackle stubborn wrinkles and thicker fabrics. SteamGlide Plus SoleplateDesigned for smooth gliding with a durable, scratch-resistant coating. Automatic Shut-OffSwitches the iron off automatically when left unattended. Drip-Stop SystemHelps prevent water droplets from staining garments. Built-In Calc Clean SliderHelps remove limescale and maintain steam performance over time. Main Feature Sections No Temperature Settings NeededOptimalTEMP technology automatically balances heat and steam, allowing users to move from delicate fabrics such as silk to heavier fabrics such as denim without manually changing temperature settings. Strong Steam for Faster Crease RemovalThe GC3929 delivers up to 45g/min continuous steam for routine ironing and a 185g steam boost for more stubborn creases. SteamGlide Plus SoleplateThe soleplate uses a multi-layer coating with a titanium layer to provide smooth movement across fabrics while helping resist scratches and sticking. Built-In Safety and MaintenanceAutomatic shut-off adds extra protection when the iron is left still, while the Calc Clean Slider helps manage limescale during long-term use. Technical Specifications Product Type: Steam Iron Brand: Philips Series: PerfectCare Model: GC3929 Power: 2400W Technology: OptimalTEMP Continuous Steam: Up to 45g/min Steam Boost: Up to 185g Soleplate: SteamGlide Plus Water Tank Capacity: 300ml Water Spray: Yes Drip Stop: Yes Tap Water Suitable: Yes Safety Auto-Off: Yes Calc Management: Built-in Calc Clean Slider Filling Hole: Extra large Heel Rest: Extra stable Product Dimensions: 31.2 × 14.7 × 12.7cm Product Weight: 1.485kg Packaging Dimensions: 33.2 × 16.7 × 13.7cm Steam Performance Continuous Steam: 45g/min Steam Boost: 185g Water Tank: 300ml Water Spray: Supported Tap Water: Suitable The steam boost is especially useful for thicker garments and stubborn creases. OptimalTEMP Technology OptimalTEMP removes the need for a traditional temperature dial. It is designed to safely iron all ironable fabrics without needing to sort garments by fabric type before starting. Safety Features Automatic shut-off Drip-stop protection Stable heel rest No manual temperature adjustment required Built-in limescale cleaning Philips states that the iron can be left resting on an ironable garment or ironing board without causing burn or shine marks under normal intended use. Cleaning & Maintenance The built-in Calc Clean Slider helps remove calcium buildup and maintain steam output. Regular descaling is recommended, especially in areas with harder tap water. Best Use Cases Everyday household ironing Shirts and trousers Jeans Cotton garments Delicate ironable fabrics Mixed laundry loads Users who do not want to adjust temperature manually Faster wrinkle removal Compatibility Suitable for ironable fabrics Designed for use with ordinary tap water Always follow the garment care label Not suitable for materials marked as non-ironable.
