Description

JBL Go 4 Ultra-Portable Bluetooth Speaker The JBL Go 4 is designed for users who want a small, lightweight, and easy-to-carry Bluetooth speaker with clear JBL Pro Sound. With 4.2W output, punchy bass, waterproof and dustproof design, up to 7 hours of playtime, integrated loop, stereo pairing with another Go 4, and Auracast support for compatible JBL speakers, it is a practical portable speaker for daily use, travel, outdoor hangouts, and casual listening. Key Features Ultra-Portable DesignCompact speaker that fits in the palm of your hand and is easy to carry anywhere. JBL Pro SoundDelivers clear and loud sound with rich, punchy bass for its size. Up to 7 Hours PlaytimeSuitable for day trips, outdoor chilling, and casual daily listening. Waterproof & DustproofBuilt for outdoor use, travel, beach, poolside, and everyday movement. Integrated LoopRedesigned loop makes it easier to carry, hang, or attach to a bag. Stereo PairingPair two JBL Go 4 speakers for stereo sound. Auracast SupportConnect multiple compatible JBL Auracast-enabled speakers for bigger wireless sound. Colorful Design OptionsAvailable in multiple colorways to match different styles. Main Feature Sections Big Sound in a Small SpeakerThe JBL Go 4 is made for users who want portable sound without carrying a large speaker. Its JBL Pro Sound delivers clear audio and punchy bass in a compact body. Made to Go AnywhereWith its palm-size design, light weight, and integrated loop, the Go 4 is easy to bring to work, school, travel, outdoor walks, beach days, and casual gatherings. Outdoor-Ready ProtectionThe waterproof and dustproof design makes it more reliable for outdoor listening compared to basic indoor-only speakers. Expandable JBL ListeningUsers can pair two Go 4 speakers for stereo sound or connect multiple compatible Auracast-enabled JBL speakers for a wider listening setup.
