Description

Philips All-in-One Trimmer MG3920 The Philips All-in-One Trimmer MG3920 is designed for users who want one grooming tool for beard, hair, nose, and ear trimming. With 7 tools and accessories, self-sharpening steel blades, rounded blade tips, 60-minute cordless runtime, USB-A charging, charging LED, washable attachments, ergonomic grip, and pouch included, it is a practical grooming kit for face and hair maintenance at home. Key Features 7-in-1 Grooming KitIncludes 7 tools and accessories for beard, hair, nose, and ear grooming. Self-Sharpening Steel BladesDesigned for long-lasting trimming precision with no blade oil required. Rounded Blade TipsHelps provide a more comfortable trimming experience on the skin. 60-Minute Cordless RuntimeSupports regular grooming sessions after charging. USB-A ChargingCharges through USB-A power source, 5V / ≥1A. Charging LED IndicatorShows charging status so users know when the trimmer is charging. Washable AttachmentsRemovable attachments can be rinsed under the tap for easier cleaning. Pouch IncludedUseful for storage and travel organization. Main Feature Sections One Tool for Face and HairThe Philips MG3920 is made for users who want a simple all-in-one trimmer instead of separate tools for beard, hair, and nose grooming. It covers everyday trimming needs with 7 included tools. Precise Beard and Hair TrimmingThe self-sharpening steel blades and combs help create clean lines, maintain stubble, trim beard length, and clip hair at home. Nose and Ear Hair ControlThe specialized nose and ear trimmer helps remove unwanted hair gently and comfortably while reducing the risk of nicks and cuts. Comfortable Handling and Easy CleaningThe ergonomic grip gives better control, while rinseable attachments make maintenance easier after use.
