Description

Philips Hair Clipper 3000 HC3100 Maintain haircuts at home with the Philips HC3100 Series 3000. Its corded linear motor provides steady cutting power without waiting for a battery to charge. Use the thumb lever for close length adjustment or attach a comb for longer cuts. A textured handle and long power cord give you room to work around the head. Key Features Linear motor with copper motor coil Stainless steel blades Thumb-lever length adjustment Four click-on hair combs Technical Specifications Model: HC3100 Operation: corded only Cutter width: 41 mm Blade adjustment without comb: 0.5 to 3 mm Power cord length: 2.4 m Included Accessories Four hair combs, cleaning brush and lubrication oil
