Description

Philips Epilator Series 2000 BRE237 Make at-home hair removal straightforward with the Philips Series 2000 BRE237 corded epilator. Its palm-sized handle, massage cap and shaving attachment support an easy grooming routine. Features Corded operation keeps your routine free from battery charging. Massage cap helps ease the epilation sensation as you get started. Shaving head with comb offers another option for touch-ups. Anti-slip grip helps you hold the compact handle comfortably. Removable, washable epilation head makes cleaning easier.
