Description

Philips 5000 Series Facial Hair Remover BRR454 Keep facial touch-ups simple with the Philips 5000 Series BRR454 facial hair remover. Its compact design, built-in mirror and LED light make it easy to remove unwanted facial hair at home or on the go. Features Smooth upper lip, chin, cheeks and jawline with a head designed for facial hair. Spot fine hairs more easily with the full-circle LED light and built-in mirror. Self-sharpening blades cut close to the skin for a smooth base before makeup. Washable, hypoallergenic head makes cleaning convenient. Compact design with a protective cap fits neatly into your bag.
