Description

Zilan 35.5-Inch Tower Fan with Remote Control The Zilan 35.5-Inch Tower Fan is designed for users who want a slim, lightweight, and easy-to-control cooling fan for home, office, bedroom, or living room use. With 60W power, 3 speed settings, 3 preset modes, remote control, 0–12 hour programmable timer, and a 90cm tower design, it is a practical fan for daily comfort during warm weather. Key Features 35.5-Inch Tower FanTall and slim design suitable for bedrooms, living rooms, offices, and small spaces. 60W Optimized PowerProvides practical airflow while keeping energy use efficient. 3 Speed SettingsAllows users to choose the right airflow level based on comfort and room conditions. 3 Preset ModesIncludes Natural, Sleep, and Normal modes for different daily needs. Remote Control IncludedMakes it easier to adjust settings without getting up. 0–12 Hour TimerProgrammable timer supports more personalized use and automatic operation. Lightweight ConstructionEasy to move, reposition, and use in different rooms. Main Feature Sections Slim Cooling for Home and OfficeThe Zilan Tower Fan is made for users who want cooling airflow without taking up much space. Its vertical tower design fits easily beside a bed, sofa, desk, or room corner. Flexible Airflow ControlWith 3 speed settings and Natural, Sleep, and Normal modes, users can adjust the fan depending on the time of day, room temperature, and comfort preference. Convenient Remote and TimerThe remote control makes daily use easier, while the 0–12 hour timer is useful for night use, office use, and scheduled cooling. Technical Specifications Product Type: Tower Fan Brand: Zilan Height: 35.5 inches / 90cm Power: 60W Speed Settings: 3 speeds Modes: Natural, Sleep, Normal Timer: 0–12 hours Control: Remote control Construction: Lightweight design Use Case: Bedroom cooling, living room airflow, office use, home cooling, and daily comfort Best Use Cases Bedroom cooling Living room airflow Office desk or corner use Night use with timer Warm weather comfort Users who want a slim fan with remote control Compatibility Suitable for indoor use Best placed on a flat, stable surface Cooling performance depends on room size, ventilation, selected speed, and surrounding temperature This is a fan for air circulation, not an air conditioner.
