Description

Philips Electric Compact Shaver PQ888/06 The Philips Electric Compact Shaver PQ888/06 is designed for users who want a close shave any time, anywhere. With 18 self-sharpening ComfortCut blades, 3D floating heads, wet and dry use, IPX7 water resistance, 60-minute cordless runtime, 1-hour full charge, 5-minute quick charge, travel lock, protective cap, and deluxe pouch, it is a compact shaver for daily grooming, travel, quick touch-ups, and on-the-go shaving. Key Features 18 Self-Sharpening ComfortCut BladesCuts hair growing in different directions for a smooth and even shave. 3D Floating HeadsHeads move in 3 directions to follow facial contours more comfortably. Wet & Dry UseSuitable for dry shaving or wet shaving with gel or foam, even in the shower. IPX7 Water ResistantFully washable under running water and showerproof. Compact Travel DesignEasy to carry for work, travel, meetings, and quick grooming. Powerful BatteryOffers up to 60 minutes cordless runtime. Fast Charging1-hour full charge, plus 5-minute quick charge for one shave. Travel LockHelps prevent the shaver from turning on inside a bag. Deluxe Travel Pouch IncludedKeeps the shaver protected and organized. Main Feature Sections ComfortCut Shaving SystemThe PQ888/06 uses 18 self-sharpening ComfortCut blades to cut facial hair smoothly. It is made for users who want a comfortable clean shave without carrying a full-size shaver. 3D Floating Head ComfortThe 3D floating heads follow the shape of the face, helping the shaver maintain better contact around the jawline, chin, and difficult areas. Wet, Dry, and Fully WashableThe Wet & Dry design allows shaving dry, with foam or gel, or in the shower. The fully washable body also makes cleaning easier after use. Compact for Travel and Touch-UpsThe compact design, travel lock, protective cap, and deluxe pouch make it practical for business trips, office bags, gym bags, and quick grooming before meetings.
