Description

Philips OneBlade Replacement Blade QP220/51 The Philips OneBlade Replacement Blade QP220/51 is designed for users who need original replacement blades for Philips OneBlade and OneBlade Pro handles. This pack includes 2 original stainless steel blades that trim, edge, and shave any length of hair, with dual-sided cutting, wet and dry use, and a dual protection system with glide coating and rounded tips for a more comfortable shaving experience. Key Features 2 Original OneBlade Replacement BladesIncludes 2 original Philips OneBlade blades. Trim, Edge & ShaveDesigned to trim, shave, and create clean lines on any length of hair. Fits All OneBlade HandlesCompatible with OneBlade and OneBlade Pro handles. Dual Protection SystemGlide coating and rounded tips help make shaving easier and more comfortable. Fast-Moving CutterCuts through hair efficiently for daily trimming and shaving. Dual-Sided BladeCuts in both directions for easier edging and line control. Long-Lasting Stainless Steel BladeEach blade lasts up to 4 months of use, depending on shaving habits. Wet & Dry UseCan be rinsed under the tap and used in the shower with or without foam. Main Feature Sections Original OneBlade Replacement PackThe QP220/51 pack includes 2 original Philips OneBlade replacement blades, ideal for users who want to restore shaving performance when their current blade becomes less effective. Trim, Edge, and Shave Any LengthOneBlade technology is made to handle different hair lengths, allowing users to trim, edge, and shave without needing multiple separate tools. Dual-Sided Blade for Better ControlThe dual-sided blade cuts both up and down, making it easier to shape edges, define lines, and follow facial contours. Comfortable Wet or Dry ShavingThe dual protection system combines a glide coating with rounded tips for smoother contact with the skin. The blade can also be used wet or dry. Compatibility Fits with: Philips OneBlade: QP14xx, QP25xx, QP26xx, QP27xx, QP28xx Philips OneBlade Pro: QP65xx, QP66xx Always check your OneBlade handle model before purchase to confirm compatibility.
