Description

CMF Buds Neo by Nothing Bring your music, calls and podcasts along with CMF Buds Neo true wireless earbuds. Active noise cancellation helps reduce distractions, while the Nothing X app lets you adjust your sound for everyday listening Features Focus on your audio with up to 35dB active noise cancellation and an adaptive mode that responds to your surroundings. Enjoy full bass and clear vocals from 12.4mm dynamic drivers, with static spatial audio for a wider listening experience. Personalize your sound with EQ presets, custom EQ and adjustable Bass Enhancement in the Nothing X app. Move between compatible devices with dual-device connectivity, useful for switching between work and personal audio. Make clearer calls with four microphones and Clear Voice Technology to help reduce background interference. Listen longer between charges, with up to 52 hours of combined playback from the earbuds and case when ANC is off. Tech Specs Type: True wireless in-ear earbuds Driver: 12.4mm dynamic driver Connectivity: Bluetooth; dual-device connection Audio codecs: AAC and SBC Noise cancellation: Up to 35dB ANC; adaptive mode Microphones: Four total, two per earbud Playback, ANC off: Up to 11 hours from the earbuds; up to 52 hours including the case Playback, ANC on: Up to 8 hours from the earbuds; up to 30 hours including the case Fast charging: 10 minutes provides up to 3 hours from the earbuds, or 5.5 hours including the case, with ANC off Charging connection: USB-C Dust and splash resistance: IP54 earbuds Companion app: Nothing X Colors: Dark Blue, Black, White Battery figures are laboratory estimates; actual playback varies with volume, settings and usage.
