Product	Hoco Z54A 48W USB-C Car Charger
SKU	cm-Z54A-1
Brand	Hoco
Category	Car Electronics
Minimum order quantity	1
Unit	—
Unit price	$12.00
Available quantity	100

Description

Hoco Z54A Prosperous 48W Car Charger Type-C to Type-C Set The Hoco Z54A Prosperous 48W Car Charger Type-C to Type-C Set is designed for users who need fast in-car charging for USB-C phones, tablets, power banks, and accessories. With 30W Type-C output, 18W USB-A output, 48W total dual-port output, PD3.0, PPS, QC3.0, AFC, FCP, SCP protocol support, aluminum alloy body, blue charging ring indicator, and a 1m Type-C to Type-C cable included, it is a practical charging set for daily driving and travel. Key Features 48W Max Total OutputCharges two devices at the same time with up to 30W from Type-C and 18W from USB-A. 30W Type-C Fast ChargingSupports 5V/3A, 9V/3A, 12V/2.5A, and PPS 3.3–11V/3A. 18W USB-A PortUseful for charging a second device with a compatible USB-A cable. Wide Protocol SupportSupports PD3.0, PD30W, PPS, QC3.0, QC2.0, AFC, FCP, SCP, and other compatible protocols. Type-C to Type-C Cable IncludedComes with a 1m USB-C cable for compatible Type-C devices. Aluminum Alloy BodyCompact and durable metal design for daily car use. Blue Ring IndicatorHelps locate the charger inside the car, especially at night. Main Feature Sections Fast USB-C Charging in the CarThe Hoco Z54A is made for users who want stronger charging performance while driving. The Type-C port supports up to 30W, making it suitable for many modern USB-C phones, tablets, and accessories. Two Devices at the Same TimeWith one Type-C port and one USB-A port, the charger can power two devices together. The maximum combined output is 48W under supported conditions. Ready-to-Use USB-C Cable SetThis version includes a 1m Type-C to Type-C cable, making it ideal for users with USB-C devices who want a complete car charging solution. Compact Premium BuildThe aluminum alloy body keeps the charger small, strong, and clean-looking, while the blue charging ring adds useful visibility. Technical Specifications Product Type: Dual-Port Car Charger Cable Set Brand: Hoco Model: Z54A Prosperous Cable Version: Type-C to Type-C Input: DC12–24V Ports: 1 × Type-C, 1 × USB-A Type-C Output: 5V/3A, 9V/3A, 12V/2.5A — 30W max PPS Output: 3.3–11V/3A USB-A Output: 5V/3A, 9V/2A, 12V/1.5A — 18W max Dual-Port Output: Type-C + USB-A = 30W + 18W, 48W max Protocols: PD3.0, PD30W, PPS, QC3.0, QC2.0, AFC, FCP, SCP, and others Material: Aluminum alloy Indicator: Blue charging ring indicator Included Cable: 1m Type-C to Type-C cable Size: 82.5 × 25mm Single Charger Weight: 26g Set Weight with Cable: 50g Use Case: Car charging, USB-C phone charging, tablet charging, power bank charging, travel, and daily driving Charging Performance Maximum Total Output: 48W Type-C Maximum Output: 30W USB-A Maximum Output: 18W Included Cable: 1m Type-C to Type-C Charging speed depends on device compatibility, cable condition, battery level, and supported charging protocol. Best Use Cases Charging USB-C phones in the car Charging two devices while driving Daily commute charging Road trips Charging tablets and power banks Backup car charger setup Users who need a USB-C cable included Compatibility Suitable for compatible DC12–24V vehicle power sockets Works with USB-C devices using the included Type-C to Type-C cable USB-A port works with compatible USB-A charging cables Fast charging depends on PD, PPS, QC, AFC, FCP, SCP, or other supported protocols.
