Product	Hoco Z54A 48W Car Charger
SKU	cm-Z54A IP-1
Brand	Hoco
Category	Car Electronics
Minimum order quantity	1
Unit	—
Unit price	$12.00
Available quantity	100

Description

Hoco Z54A Prosperous 48W Car Charger Cable Set The Hoco Z54A Prosperous 48W Car Charger Cable Set is designed for users who need fast charging in the car for phones, tablets, and USB-powered accessories. With 1 Type-C port, 1 USB-A port, up to 48W total output, PD3.0, PPS, QC3.0, AFC, FCP, SCP protocol support, aluminum alloy body, blue charging ring indicator, and a 1m cable included, it is a practical car charging solution for daily driving and travel. Key Features 48W Max Dual-Port OutputCharges two devices at the same time with up to 30W from Type-C and 18W from USB-A. 30W Type-C Fast ChargingType-C port supports 5V/3A, 9V/3A, 12V/2.5A, and PPS 3.3–11V/3A. 18W USB-A OutputUSB-A port supports 5V/3A, 9V/2A, and 12V/1.5A. Wide Fast Charging Protocol SupportSupports PD3.0, PD30W, PPS, QC3.0, QC2.0, AFC, FCP, SCP, and other compatible protocols. Cable Set IncludedComes with a 1m cable, depending on package version: Type-C to iP or Type-C to Type-C. Aluminum Alloy BodyDurable and compact metal housing for daily car use. Blue Charging Ring IndicatorMakes the charger easier to locate and check during use. DC12–24V InputSuitable for compatible car power sockets. Main Feature Sections Fast Charging in the CarThe Hoco Z54A is made for users who want stronger charging performance while driving. The Type-C port delivers up to 30W, suitable for many modern phones and accessories that support compatible fast charging protocols. Charge Two Devices TogetherWith one Type-C port and one USB-A port, the charger can power two devices at the same time. Combined output supports up to 48W under supported conditions. Ready-to-Use Cable PackageThe included 1m cable makes the set more convenient. Depending on the selected package, it may include Type-C to iP or Type-C to Type-C. Compact Aluminum DesignThe aluminum alloy body gives the charger a stronger feel, while the blue ring indicator adds visibility inside the car. Technical Specifications Product Type: Dual-Port Car Charger Cable Set Brand: Hoco Model: Z54A Prosperous Input: DC12–24V Ports: 1 × Type-C, 1 × USB-A Type-C Output: 5V/3A, 9V/3A, 12V/2.5A — 30W max PPS Output: 3.3–11V/3A USB-A Output: 5V/3A, 9V/2A, 12V/1.5A — 18W max Dual-Port Output: Type-C + USB-A = 30W + 18W, 48W max Protocols: PD3.0, PD30W, PPS, QC3.0, QC2.0, AFC, FCP, SCP, and others Material: Aluminum alloy Indicator: Blue charging ring indicator Included Cable: 1m Type-C to iP or Type-C to Type-C, depending on package Size: 82.5 × 25mm Single Charger Weight: 26g Set Weight with Cable: 50g Use Case: Car charging, phone charging, tablet charging, USB accessories, travel, and daily driving Charging Performance Maximum Total Output: 48W Type-C Maximum Output: 30W USB-A Maximum Output: 18W Two-Port Use: 30W + 18W Charging speed depends on the connected device, cable type, battery level, and supported charging protocol. Best Use Cases Charging phones in the car Charging two devices while driving Fast charging compatible iPhone or USB-C phones Charging tablets and accessories Travel and road trips Daily commute charging Backup car charger setup Compatibility Suitable for compatible DC12–24V vehicle power sockets Works with USB-C devices through the Type-C port Works with USB-A cables through the USB-A port Fast charging depends on device support for PD, PPS, QC, AFC, FCP, SCP, or other compatible protocols Cable compatibility depends on whether the set includes Type-C to iP or Type-C to Type-C.
