Product	Hoco C109A Charger Set
SKU	cm-C109A -C
Brand	Hoco
Category	Accessories
Minimum order quantity	1
Unit	—
Unit price	$10.00
Available quantity	100

Description

Hoco C109A Fighter Single-Port USB-A Charger Set The Hoco C109A Fighter Single-Port Charger Set is designed for users who need a compact EU plug wall charger with a USB-A to Type-C cable included. With USB-A output up to 18W max, support for fast charging protocols such as QC3.0, QC2.0, FCP, AFC and others, fireproof PC material, AC100–240V input, and a 1m USB-A to Type-C cable, it is a practical charging set for daily phone and accessory charging. Key Features Single-Port USB-A ChargerSimple wall charger with one USB-A output port for everyday charging. Up to 18W Max OutputSupports 5V/3A, 9V/2A, and 12V/1.5A output profiles. Fast Charging Protocol SupportSupports QC3.0, QC2.0, FCP, AFC, and other compatible charging protocols. USB-A to Type-C Cable IncludedComes as a set with a 1m USB-A to Type-C cable. EU Plug DesignSuitable for EU wall sockets. Wide Voltage InputSupports AC100–240V, 50/60Hz input for flexible use. Fireproof PC MaterialBuilt with fireproof PC housing for safer daily charging use. Compact and LightweightCharger weighs 33g, while the full set with cable weighs 53g. Main Feature Sections Daily Charging Set with Cable IncludedThe Hoco C109A is useful for users who need both a wall charger and a Type-C cable in one package. It is suitable for phones, earbuds, speakers, power banks, and other USB-C charging accessories. USB-A Fast Charging OutputThe charger supports up to 18W max through its USB-A port, depending on the connected device, cable, and charging protocol support. Compact EU Plug DesignWith a small 76 × 45 × 24mm body and EU plug, the charger is easy to keep at home, office, travel bag, or as a backup charger. Fireproof PC HousingThe fireproof PC body gives the charger a more practical and safer daily-use construction compared to basic plastic housings. Technical Specifications Product Type: Single-Port USB-A Wall Charger Set Brand: Hoco Model: C109A Fighter Input: AC100–240V, 50/60Hz, 0.5A Output Port: USB-A × 1 USB-A Output: 5V/3A, 9V/2A, 12V/1.5A Maximum Output: 18W max Supported Protocols: QC3.0, QC2.0, FCP, AFC, and others Plug Type: EU plug Included Cable: USB-A to Type-C cable, 1m Material: Fireproof PC Charger Size: 76 × 45 × 24mm Charger Weight: 33g Set Weight with Cable: 53g Use Case: Phone charging, USB-C accessory charging, power bank charging, earbuds charging, speaker charging, and daily home or office use Charging Performance Maximum Power: 18W Output Profiles: 5V/3A, 9V/2A, 12V/1.5A Cable Type: USB-A to Type-C Cable Length: 1m Charging speed depends on the connected device, cable condition, supported charging protocol, and battery level. Best Use Cases Charging USB-C phones Charging earbuds and accessories Power bank charging Office backup charger Home charging setup Travel charger for EU sockets Users who need charger and cable together Compatibility Compatible with USB-C devices using the included USB-A to Type-C cable Fast charging depends on device support for compatible protocols Works with USB-A charging cables for other devices Not a USB-C PD charger because the charger output port is USB-A.
