Product	Hoco Adapter Type-C to 3.5mm UPA32C Clever Audio Converter
SKU	cm-UPA32C
Brand	Hoco
Category	Accessories
Minimum order quantity	1
Unit	—
Unit price	$9.00
Available quantity	100

Description

Hoco UPA32C Type-C to 3.5mm Audio Converter The Hoco UPA32C Clever Audio Converter is designed for users who need to connect 3.5mm wired earphones, headphones, speakers, or AUX cables to a USB-C device. With a Type-C male to 3.5mm female design, built-in DAC digital decoding chip, Hi-Fi lossless transmission, oxygen-free copper wire, gold-plated 3.5mm socket, aluminum alloy shell, nylon braided cable, wide compatibility, and compact 15cm length, it is a practical audio adapter for daily music, calls, videos, and AUX use. Key Features Type-C to 3.5mm Audio AdapterConverts USB-C audio output to a 3.5mm female audio port. Built-In DAC ChipDigital decoding chip helps support stable audio conversion. Hi-Fi Lossless TransmissionDesigned to maintain cleaner audio output for compatible devices. Oxygen-Free Copper WireHelps improve signal transmission and durability. Gold-Plated 3.5mm SocketProvides a cleaner and more reliable audio contact. Aluminum Alloy ShellStronger connector housing for daily use. Nylon Braided CableAdds flexibility and durability compared to basic plastic cables. Compact 15cm LengthEasy to carry and practical for phones, tablets, laptops, and bags. Main Feature Sections USB-C Audio ConversionThe Hoco UPA32C allows compatible USB-C devices to connect with standard 3.5mm wired audio accessories. It is useful for users whose phone, tablet, or laptop does not have a headphone jack. DAC Digital DecodingThe built-in DAC chip helps convert digital USB-C audio into analog 3.5mm output, making it suitable for music, videos, calls, and AUX connection. Durable Daily BuildThe adapter uses oxygen-free copper wire, a gold-plated 3.5mm socket, aluminum alloy shell, and nylon braided cable for stronger everyday handling. Compact and Travel-FriendlyAt 15cm length and 7.6g weight, the UPA32C is easy to keep in a pocket, pouch, desk drawer, or travel kit.
