Description

Hoco HP26 Electric Hair Clipper Set The Hoco HP26 Electric Hair Clipper Set is designed for users who want one rechargeable grooming kit for hair trimming, beard shaping, detailing, shaving, eyebrow trimming, and nose hair trimming. With interchangeable blades and heads, stainless steel blades, 7500rpm motor, 600mAh battery, 80-minute use time, Type-C charging, LED digital power display, IPX6 waterproof washable housing, and a full accessory set, it is a practical all-in-one grooming solution for home use. Key Features All-in-One Grooming SetIncludes interchangeable blades and heads for hair, beard, detailing, shaving, eyebrows, and nose hair. Sharp Stainless Steel BladesDesigned for smooth cutting with less hair jamming during regular trimming. 7500rpm Motor SpeedProvides strong cutting performance for daily grooming needs. 80 Minutes Use TimeThe 600mAh battery supports up to 80 minutes of use after a full charge. Type-C ChargingCharges through 5V / 1A Type-C input in approximately 1.5 hours. LED Digital DisplayShows battery power level for easier usage control. IPX6 Waterproof BodyFully washable housing helps remove hair residue after trimming. Multiple Guide Combs IncludedComes with 5 limit combs for different trimming lengths. Storage Base IncludedHelps organize the clipper and accessories when not in use. Main Feature Sections Complete Grooming in One SetThe Hoco HP26 is built for users who want more than a basic hair clipper. It includes multiple interchangeable heads, making it useful for trimming hair, shaping beard edges, cleaning details, shaving, eyebrow trimming, and nose hair grooming. Sharp Stainless Steel Cutting SystemThe stainless steel blades are designed for sharp cutting and smoother trimming. The set includes U-blade, T-blade, detailer blade, foil shaving head, eyebrow trimmer head, and nose hair trimmer head. Rechargeable and Easy to MonitorThe 600mAh battery gives up to 80 minutes of use, while the LED digital display shows remaining power. Type-C charging makes it convenient for daily home grooming. Washable IPX6 HousingThe IPX6 waterproof housing allows easy cleaning after use, helping remove hair residue from the clipper body. Cleaning the blades and accessories properly helps maintain better performance. Technical Specifications Product Type: Electric Hair Clipper Set Brand: Hoco Model: HP26 Motor Speed: 7500rpm Blade Material: Stainless steel Blade System: Interchangeable blades and heads Battery Capacity: 600mAh Use Time: Up to 80 minutes Charging Time: Approx. 1.5 hours Charging Input: 5V / 1A Type-C Display: LED digital power display Water Resistance: IPX6 Housing: Fully washable Material: ABS + stainless steel + electronic components Dimensions: 161.5 × 42.5 × 40.6mm Weight: 138g Use Case: Hair clipping, beard trimming, detailing, shaving, eyebrow trimming, nose hair trimming, and home grooming Accessories Included Charging cable Cleaning brush Oil bottle 5 limit combs U-blade T-blade Detailer blade Foil shaving head Eyebrow trimmer head Nose hair trimmer head Comb Storage base Battery Life & Charging Battery: 600mAh Runtime: Up to 80 minutes Charging Time: Approx. 1.5 hours Charging Port: Type-C Input: 5V / 1A Runtime depends on blade type, hair thickness, pressure, battery condition, and cleaning maintenance.
