Description

Xiaomi Pad 8 Pro Up to 16GB (8+8) + 512GB of Storage with Free Xiaomi Smart Focus Pen The Xiaomi Pad 8 Pro is designed for users who want a high-performance Android tablet for productivity, entertainment, study, gaming, AI tools, note-taking, drawing, and multitasking. With a Snapdragon 8 Elite Mobile Platform, 3.2K 144Hz display, Dolby Vision, Dolby Atmos, Xiaomi HyperOS, Xiaomi HyperAI, 9200mAh battery, 67W HyperCharge, quad speakers, ultra-thin metal unibody design, and support for the Xiaomi Focus Pen Pro, it is a premium tablet bundle for power users and creative workflows. Key Features Snapdragon 8 Elite Mobile PlatformFlagship-level processor built on a leading 3nm process for strong productivity, multitasking, gaming, and graphics performance. Super Clear 3.2K DisplayHigh-resolution 3200 × 2136 display designed for sharper visuals, reading, streaming, documents, and creative work. 144Hz Adaptive Refresh RateSupports up to 144Hz adaptive refresh rate for smoother scrolling, gaming, writing, and app navigation. 11.2-Inch Portable Screen SizeCompact enough for daily carry while still offering a productive 3:2 screen ratio for documents, presentations, and office use. Dolby Vision and Dolby Atmos SupportEnhances compatible video and audio content for a more immersive entertainment experience. Quad SpeakersFour speakers with Dolby Atmos support deliver stronger stereo audio for movies, music, games, meetings, and online classes. Large 9200mAh BatteryDesigned with a large 9200mAh typical battery for long daily use. 67W HyperChargeSupports 67W HyperCharge for faster recharging with compatible charging accessories. Ultra-Thin Metal Unibody DesignSlim 5.75mm body with a lightweight yet sturdy metal unibody design for easier portability. Powered by Xiaomi HyperOSBuilt for a PC-like productivity experience with smarter system features and cross-device workflow support. Xiaomi HyperAI SupportIncludes AI features such as AI Art, AI Writing, AI Translate Conversation, and AI Calculator depending on region, language, device model, and app support. Free Xiaomi Smart Focus Pen IncludedThe bundle includes the Xiaomi Smart Focus Pen, making it useful for note-taking, sketching, document markup, and creative work. Main Feature Sections Flagship Tablet PerformanceThe Xiaomi Pad 8 Pro is powered by the Snapdragon 8 Elite Mobile Platform, built on TSMC’s 2nd-generation 3nm process. It is positioned for demanding multitasking, graphics-intensive games, productivity apps, and smoother PC-like tablet workflows. 3.2K 144Hz Display for Productivity and EntertainmentThe 11.2-inch display uses a 3:2 aspect ratio, making it more suitable for documents, presentations, split-screen work, and reading. It also supports 3200 × 2136 resolution, 800 nits peak brightness, 12-bit color depth, DCI-P3 support, Adaptive HDR, Wet Touch Screen, and up to 144Hz adaptive refresh rate. Premium Eye-Care Display CertificationsThe screen includes TÜV Rheinland Low Blue Light Certified hardware solution, TÜV Rheinland Circadian Friendly Certified, and TÜV Rheinland Flicker Free Certified, making it more suitable for long study, work, and reading sessions. PC-Like Productivity ExperienceXiaomi Pad 8 Pro supports a more advanced workstation-style experience with enhanced workstation mode, more split-screen options, PC-equivalent browser features, and WPS Office PC support depending on regional rollout and software availability. Creative Pen BundleThe included Xiaomi Smart Focus Pen adds strong value for note-taking, drawing, writing, sketching, and PDF markup. The source material highlights Xiaomi Focus Pen Pro support with a buttonless design, balanced 17.5g weight, and ultra-low latency writing experience.
