Description

60W Power Delivery Support: Delivers fast and efficient charging for compatible smartphones, tablets, and USB-C laptops when used with a suitable PD adapter. Durable Braided Design: Strong nylon braided exterior enhances durability, resists tangling, and protects against bending and daily wear. Stable Data Transmission: Supports reliable and smooth data syncing between USB-C devices. Wide Compatibility: Compatible with USB-C smartphones, tablets, power banks, laptops, and other USB-C enabled devices. Extended 2-Meter Length: Provides extra convenience and flexibility for charging at home, office, or while traveling.
