Description

Xiaomi Pad 8 8GB 256GB + Free Keyboard The Xiaomi Pad 8 8GB 256GB is designed for users who want a premium Android tablet for productivity, entertainment, study, creative work, browsing, video calls, and multitasking. With an 11.2-inch 3.2K-style high-resolution IPS LCD display, 144Hz refresh rate, HDR10, Dolby Vision, Snapdragon 8s Gen 4 processor, UFS 4.1 storage, Wi-Fi 7, Bluetooth 5.4, quad speakers with Dolby Atmos, 9200mAh battery, 45W wired charging, magnetic stylus support, and a free keyboard included, it is a strong tablet for users who want speed, display quality, and productivity features in a slim aluminum design. Key Features 11.2-Inch High-Resolution DisplayLarge 11.2-inch screen with 2136 × 3200 resolution for sharp viewing, reading, streaming, browsing, and productivity. 144Hz Refresh RateDelivers very smooth scrolling, animations, gaming movement, and pen interaction. HDR10, Dolby Vision, and HDR VividSupports enhanced HDR viewing for compatible video content. 68B Colors and 800 Nits Peak BrightnessDesigned for rich color output and strong screen visibility. Snapdragon 8s Gen 4 Mobile PlatformAdvanced 4nm chipset built for strong performance across multitasking, productivity, gaming, and media. 8GB RAM + 256GB StoragePractical memory and large storage capacity for apps, documents, videos, downloads, and creative files. UFS 4.1 StorageFast storage technology helps improve app loading, file access, and system responsiveness. Android 16 with HyperOS 3Runs on a modern Xiaomi tablet software experience. Free Keyboard IncludedAdds strong productivity value for typing, studying, emails, notes, and document work. Magnetic Stylus SupportSupports magnetic stylus use for note-taking, drawing, and document markup. Quad Speakers with Dolby AtmosFour-speaker setup provides immersive stereo sound for movies, music, games, and calls. Wi-Fi 7 and Bluetooth 5.4Supports modern wireless connectivity for faster networks and compatible accessories. 9200mAh BatteryLarge battery capacity supports long daily use for work, study, entertainment, and travel. 45W Wired ChargingSupports faster charging through USB Type-C. Slim Aluminum BuildGlass front with aluminum frame and aluminum back gives the tablet a premium and lightweight feel. Main Feature Sections Premium Display for Work and EntertainmentThe Xiaomi Pad 8 features an 11.2-inch IPS LCD display with 2136 × 3200 resolution, 144Hz refresh rate, HDR10, Dolby Vision, HDR Vivid, and up to 800 nits peak brightness. This makes it suitable for watching movies, reading documents, browsing, gaming, and everyday creative work. High Performance with Snapdragon 8s Gen 4Powered by the Qualcomm Snapdragon 8s Gen 4 4nm processor and Adreno 825 GPU, the Xiaomi Pad 8 is built for fast daily performance, smooth multitasking, casual-to-advanced gaming, productivity apps, and media editing. Productivity Bundle with Free KeyboardThe included keyboard makes the tablet more useful for typing, studying, email, office documents, notes, and desk work. It is a strong value bundle for students, professionals, and users who want a tablet that can do more than media consumption. Strong Audio and Entertainment ExperienceThe quad-speaker system with Dolby Atmos, Hi-Res Audio, and Hi-Res Wireless Audio support helps deliver a more immersive experience for movies, music, games, online classes, and video calls. Large Battery with Fast ChargingThe 9200mAh battery gives the Xiaomi Pad 8 strong endurance for daily use, while 45W wired charging helps reduce downtime.
