Product	Xiaomi Robot Vacuum H50 Pro
SKU	cm-BHR089NEU
Brand	Xiaomi
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$599.00
Available quantity	100

Description

Xiaomi Robot Vacuum H50 Pro The Xiaomi Robot Vacuum H50 Pro combines powerful vacuuming and rotary mopping with intelligent navigation for thorough everyday floor care. Its dual extending arms reach closer to walls and corners, while the all-in-one dock handles dust emptying, mop washing and hot-air drying. Key Features 15,000Pa suction: Picks up dust, debris, hair and particles from floors and crevices. Dual extending arms: The side brush and mop arm extend for improved edge, corner and low-clearance cleaning. Dual anti-tangle system: The main and side brush designs help reduce wrapped hair and routine maintenance. Rotary mopping: Dual mop pads rotate at up to 180rpm for effective stain removal. Smart carpet handling: Automatically lifts the mop pads by 10mm and can boost suction when carpet is detected. LDS navigation: Scans the home, creates maps and plans efficient cleaning routes. Obstacle avoidance: A 129-degree wide-angle structured-light system helps detect low obstacles, including in low light. All-in-One Cleaning Station The dock automatically empties collected dust, washes the mop pads and dries them with hot air. Its 4L clean-water tank can cover up to 240m² under Xiaomi test conditions, while one dust bag can last up to 75 days depending on the home and cleaning habits. Smart App Control Use the Xiaomi Home app to schedule cleaning, create no-go zones, manage maps and customise cleaning preferences. The vacuum supports 2.4GHz Wi-Fi and voice control through compatible Amazon Alexa and Google Assistant devices. Technical Specifications Rated suction power: Up to 15,000Pa Main unit dimensions: 355 × 353.5 × 93mm Main unit net weight: 3.9kg Main unit rated power: 55W Main unit rated voltage: 14.4V DC Charging voltage: 20V DC Battery: 4800mAh rated / 5200mAh nominal Dock dimensions: 320 × 411 × 495mm Dock input: 220–240V, 50/60Hz Dock output: 20V DC, 1A Power during dust collection: 440W Power during cleaning: 15W Power during drying and charging: 86W Clean-water tank: 4L Dirty-water tank: 4L Dust compartment: 280ml Box Contents Xiaomi Robot Vacuum H50 Pro main unit Dock with clean-water tank, dirty-water tank, dust bag and dirty-water filter pre-installed Dust compartment with filter pre-installed Main brush and main brush cover Two mop brackets with two mop pads pre-installed Side brush Power cable set Quick start guide, user manual and image guide
