Product	Xiaomi Robot Vacuum 5
SKU	cm-BHR0834EU
Brand	Xiaomi
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$740.00
Available quantity	100

Description

Xiaomi Robot Vacuum 5 The Xiaomi Robot Vacuum 5 delivers powerful vacuuming and intelligent mopping with smart navigation designed to clean more of your home with less manual work. Its retractable dToF radar helps it reach beneath low furniture, while the extendable side brush and mop pad improve cleaning along walls and in corners Key Features 20,000Pa suction: Removes everyday dust, particles, debris, hair and pet fur from floors. Retractable dToF radar: Lowers automatically so the robot can enter spaces with at least 9.5cm of clearance. Dual-extension cleaning: The side brush and mop pad extend for closer edge and corner coverage. Anti-tangle brushes: A dual-blade hair-cutting main brush and centrifugal side brush help reduce wrapped hair. S-Cross obstacle avoidance: Structured light, retractable radar and an edge sensor help detect obstacles and plan routes. Carpet detection: Ultrasonic sensing identifies carpets and raises the mop pads by up to 15mm. Long cleaning time: The 5200mAh nominal-capacity battery supports up to 140 minutes in Standard Vacuuming and Mopping mode under Xiaomi test conditions. Self-Cleaning All-in-One Dock The dock automatically collects dust, washes the mop pads with water reaching up to 80°C and dries them with hot air in as fast as two hours. Dual rotating scraper arms also help clean the washboard during mop washing. A 4L clean-water tank supports larger cleaning areas, while the 2.5L dust bag can require disposal as infrequently as every 75 days depending on the home and cleaning routine. Smart Control Use the Xiaomi Home app to start cleaning remotely, schedule tasks, choose rooms, set custom cleaning areas and create no-go zones. Voice control works with compatible Amazon Alexa and Google Assistant devices. Technical Specifications Product model: Xiaomi Robot Vacuum 5 Main unit model: OV31GL Main unit dimensions: 350mm diameter × 88mm height Main unit net weight: 3.75kg Rated power: 55W Rated voltage: 14.4V DC Charging voltage: 20V DC Battery: 4800mAh rated / 5200mAh nominal Supported systems: Android 9.0 or iOS 12.0 and above Dock model: OV31-JZEU Dock dimensions with ramp extension: 470 × 360 × 572mm Dock dimensions without ramp extension: 260 × 360 × 572mm Dock input: 220–240V, 50/60Hz Dock output: 20V DC, 1.5A Dust collection input power: 530W Hot-water cleaning input power: 1600W Hot-air drying and charging input power: 85W Clean-water tank: Approximately 4L Built-in robot water tank: 80ml Dock dust bag: 2.5L Box Contents Xiaomi Robot Vacuum 5 main unit All-in-one dock with dust bag, clean-water tank, dirty-water tank and cleaning tray pre-installed Dust box and filter pre-installed Anti-tangle main brush and main brush cover Two mop brackets with two mops pre-installed Side brush Dock ramp extension Electronic components User manual and quick start guide
