Description

Hoco HP70 Electric Fabric Shaver The Hoco HP70 Electric Fabric Shaver is designed for users who want to refresh clothes, sweaters, blankets, sofas, and fabric items by removing lint, fuzz, and fabric pills. With a stainless steel six-blade cutter, 7800rpm motor speed, lint capturing airflow, transparent collection bin, 800mAh battery, 80 minutes of usage time, Type-C charging, LED digital display, and compact 158g body, it is a practical portable fabric care tool for home, travel, laundry rooms, and everyday clothing maintenance. Key Features Portable Fabric ShaverRemoves lint, fuzz, and fabric pills from clothes and household fabrics. Cutting and Suction SystemCuts lint and uses suction airflow to collect it into the bin for easier cleaning. Stainless Steel Six-Blade CutterSix-blade cutter helps remove fabric pills more efficiently. 7800rpm Motor SpeedProvides fast operation for daily fabric care and lint removal. Lint Capturing AirflowDraws in lint and helps eliminate different types of lint in a single pass. Transparent Collection BinMakes it easy to see when the lint bin needs to be emptied. 800mAh Rechargeable BatteryProvides up to 80 minutes of usage time. Type-C ChargingCharges using a modern Type-C input with 5V / 1A charging support. LED Digital DisplayShows remaining battery level, operation setting, and charging status. Compact 158g DesignLightweight and easy to hold, carry, and store. Cleaning Brush IncludedComes with a brush for cleaning the cutter area and collection bin. Main Feature Sections Refresh Clothes and Fabrics EasilyThe Hoco HP70 helps restore the appearance of clothing and fabric items by removing visible lint and pilling. It is useful for sweaters, hoodies, jackets, blankets, cushions, and other compatible fabrics. Six-Blade Stainless Steel CutterThe stainless steel six-blade cutter is designed to cut fabric pills efficiently, helping clothes look cleaner and newer with regular maintenance. Strong 7800rpm PerformanceWith a 7800rpm motor speed, the HP70 provides fast lint removal for everyday fabric care without needing a large or complicated device. Cut and Collect SystemThe lint capturing airflow draws lint into the transparent collection bin, making the process cleaner and easier to manage. Smart LED DisplayThe LED digital display shows remaining battery level, operation setting, and charging status, so users can easily monitor the fabric shaver during use and charging. Portable Type-C Rechargeable DesignWith an 800mAh battery, up to 80 minutes of use, and Type-C charging, the HP70 is convenient for home use, travel, and regular laundry care.
