Description

Hoco HP39 Electric Rotary Shaver The Hoco HP39 Electric Rotary Shaver is designed for users who want a practical rechargeable shaver for daily grooming and clean facial shaving. With a magnetic 3-blade floating head, dual-ring knife mesh, 360° face contouring, 3500rpm motor speed, 600mAh battery, 60 minutes of usage time, Type-C charging, LED digital display, and included cleaning accessories, it is a convenient electric shaver for home, travel, office, and everyday personal care. Key Features Electric Rotary ShaverDesigned for daily facial shaving and personal grooming. Magnetic 3-Blade Floating HeadHelps follow facial curves more smoothly for a cleaner shave. Dual-Ring Knife MeshImproves shaving contact area for more efficient grooming. 360° Face ContouringAdapts to the face shape for better contact around the chin, jawline, and cheeks. 3500rpm Motor SpeedProvides steady shaving performance for everyday use. 600mAh Rechargeable BatteryBuilt-in battery provides up to 60 minutes of usage. 1.5-Hour Charging TimeRecharges quickly through Type-C input. LED Digital DisplayShows power level, charging reminder, and motor speed for easier use. Type-C ChargingUses 5V / 1A Type-C charging input for modern charging convenience. Lightweight 135g DesignEasy to hold, carry, and store for home or travel use. Cleaning Brush and Protective Cover IncludedComes with useful accessories for maintenance and storage. Main Feature Sections Smooth Rotary Shaving DesignThe Hoco HP39 uses a magnetic 3-blade floating head with dual-ring knife mesh to follow the face more naturally. This helps improve contact with facial contours for a cleaner and more comfortable shave. 360° Face ContouringThe floating head design supports 360° face contouring, making it easier to shave around curved areas such as the jawline, chin, cheeks, and neck area. Rechargeable Type-C ConvenienceWith a 600mAh battery, the HP39 provides up to 60 minutes of shaving time and fully charges in around 1.5 hours using Type-C input. LED Digital DisplayThe LED screen makes daily use clearer by showing the battery power level, charging reminder, and motor speed, so users can check the shaver status easily. Compact Personal Grooming ToolAt 135g and with a compact body size, the shaver is practical for daily bathroom use, travel bags, office drawers, and personal grooming kits.
