Description

HOCO HC47 Delight Bluetooth Speaker 30W The HOCO HC47 Delight Bluetooth Speaker is designed for users who want powerful portable sound, RGB party lighting, and flexible music playback for indoor and outdoor entertainment. With dual 15W drivers, total 30W output, Bluetooth 6.0, TWS stereo pairing, USB flash drive support, TF card support, AUX input, IPX4 splash resistance, 2400mAh rechargeable battery, Type-C charging, and a built-in carry handle, it is a strong everyday speaker for parties, travel, camping, home use, and daily listening. Key Features 30W Powerful Sound OutputDual 15W drivers deliver louder portable audio for music, videos, gatherings, and casual party use. Dual 66mm Speaker DriversTwo 66mm drivers help produce fuller sound with stronger volume and better presence. Bluetooth 6.0 ConnectivitySupports faster pairing, stable wireless connection, and low-latency audio transmission with compatible devices. Up to 10m Wireless RangeAllows convenient wireless playback from compatible smartphones, tablets, laptops, and Bluetooth devices. TWS Stereo Pairing SupportConnect two compatible HC47 speakers together for a wider stereo soundstage and stronger volume. Multiple Playback ModesSupports Bluetooth, USB flash drive, TF card, AUX input, and other playback options. RGB Party Lighting EffectsBuilt-in RGB lighting adds a more exciting atmosphere for parties, night events, and indoor entertainment. IPX4 Splash-Resistant DesignHelps protect against splashes and light rain during outdoor use. Portable Carry HandleBuilt-in handle makes the speaker easier to carry for travel, camping, beach trips, and outdoor gatherings. 2400mAh Rechargeable BatteryProvides up to 3 hours of playback at 80% volume with lights off. USB Type-C ChargingRecharges through a modern Type-C charging port in about 3 hours. Main Feature Sections Powerful Portable SoundThe HOCO HC47 Delight delivers 15W × 2 output for a total of 30W, making it suitable for users who want louder sound than a small pocket speaker. It is practical for home listening, gatherings, outdoor sitting areas, and small party environments. RGB Lighting for Party AtmosphereThe built-in RGB lighting gives the speaker a more entertaining look, especially for night use, indoor parties, gaming rooms, and outdoor events. Flexible Playback OptionsWith support for Bluetooth, USB flash drive, TF card, and AUX input, users can play music from different sources without depending only on a phone connection. TWS Stereo PairingTWS support allows two compatible HC47 speakers to connect together for a wider stereo effect and more immersive listening setup. Splash-Resistant Outdoor UseThe IPX4 rating helps protect the speaker from splashes and light rain, making it suitable for casual outdoor use, camping, beach trips, and poolside areas when used carefully. Technical Specifications Product Type: Portable Bluetooth Speaker Brand: HOCO Model: HC47 Delight Bluetooth Version: Bluetooth 6.0 Supported Protocols: A2DP, AVRCP, HFP Power Output: 15W × 2 Total Output Power: 30W Speaker Drivers: 66mm × 2 Frequency Response: 120Hz – 20KHz Wireless Range: Up to 10m Battery Capacity: 2400mAh Playback Time: Approx. 3 hours at 80% volume with lights off Charging Time: Approx. 3 hours Charging Port: USB Type-C Water Resistance: IPX4 Lighting: RGB party lighting Playback Modes: Bluetooth, USB flash drive, TF card, AUX input, TWS Dimensions: 264 × 166 × 89mm Weight: 1209g Use Case: Music listening, parties, travel, camping, outdoor gatherings, home entertainment, shop use, and daily multimedia playback Battery Life & Charging Battery Capacity: 2400mAh Playback Time: Approx. 3 hours at 80% volume with lights off Charging Time: Approx. 3 hours Charging Port: USB Type-C Actual battery life may vary depending on volume level, RGB lighting use, playback mode, audio type, Bluetooth connection, and battery condition. Bluetooth Version Bluetooth Version: 6.0 Wireless Range: Up to 10m Supported Protocols: A2DP, AVRCP, HFP Bluetooth performance depends on the connected device, distance, obstacles, and surrounding wireless interference. Playback Modes Bluetooth USB flash drive TF card AUX input TWS stereo pairing USB and TF card playback depend on file format and storage compatibility.
