With an Ultra Sharp Blade, PrecisionWheel, PrecisionLock, 40 length settings in 0.5mm steps, precision beard and hair combs, detail comb, 100% waterproof design, Li-Ion battery, up to 120 minutes of cordless runtime, 90-minute full charge, and 5-minute quick charge, it is built for controlled beard trimming, edging, detailing, and clean everyday grooming. Key Features Advanced Beard Styling ControlDesigned to give users precise control for beard shaping, trimming, edging, and detailing. Ultra Sharp BladeHelps catch even difficult hairs and trim evenly with efficient cutting performance. PrecisionWheel Length ControlAllows accurate length adjustment for different beard and hair styles. PrecisionLock SystemHelps lock the selected length setting to reduce trimming mistakes. 40 Length SettingsOffers 40 length options in 0.5mm steps for detailed styling control. 0.5–20mm Trimming RangeCovers short stubble, medium beard styles, longer beard trimming, and hair maintenance. Precision Beard CombSupports beard trimming from 0.5mm to 10mm. Precision Hair CombSupports longer trimming from 10.5mm to 20mm. Detail Comb IncludedHelps refine smaller areas and improve finishing around edges. 100% Waterproof DesignAllows easy cleaning under water and supports convenient bathroom use. Long 120-Minute RuntimeLi-Ion battery provides up to 120 minutes of cordless grooming. Fast Charging SupportFull charge takes around 90 minutes, with a 5-minute quick charge option. Worldwide Voltage SupportSupports 100–240V and 50–60Hz for easier use in different regions with the correct plug adapter if needed. Main Feature Sections Advanced Style and Controlled PrecisionThe Braun Series 5 BT5520 is made for users who want better beard control than a basic trimmer. The PrecisionWheel and PrecisionLock system help select and maintain the desired trimming length for cleaner results. Ultra Sharp Blade PerformanceThe Ultra Sharp Blade helps trim evenly and catch difficult hairs, making beard maintenance faster and more consistent with each stroke. 40 Length Settings for Better StylingWith 40 length settings in 0.5mm steps, users can fine-tune their beard length instead of relying on limited comb options. This makes it useful for stubble, short beards, medium beards, and controlled hair trimming. Waterproof and Built for Daily UseThe 100% waterproof design makes cleaning easier, while the Li-Ion battery provides up to 120 minutes of cordless runtime for multiple grooming sessions between charges.
