Unit price	$2,499.00
Available quantity	0

Description

360-degree haptic feedback for an immersive gaming experience Auto-Centering Steering Wheel Paddle Shifter for Seamless Gear Shifts Manual Drive Mode 43 km/h Top Speed Range of approx. 25 km (15.5 miles) Age: 16+ | Height: 130-190 cm (51-75 in) Max Weight: 100 kg (220 lbs)1.02G Max. Acceleration The Segway Gokart PRO 2 offers an exceptional all-around riding experience with its updated design and three-in-one functionality: go-karting, game racing simulation, and self-balancing two-wheel transport. With a maximum speed of 43 km/h*, which is provided by a powerful 4800W electric motor, the Gokart PRO 2 has a climbing capability of up to 26,8%. The 1.02G acceleration helps you to reach the maximum speed in the blink of an eye. The Drifting Assistant System helps you control your drifting experience depending on your own driving style and road conditions. The Auto Hold System prevents slips on slopes when parked. Inspired by supercars, it features a rear engine and rear-wheel drive with a 40% front and 60% back weight distribution. The dual-braking system provides safety. The Gokart PRO 2 includes a quick-detach tyre system for easy removal and installation. Paired with the Segway-Ninebot app, it offers four riding modes—Eco, Sport, Race, and Manual—and customizable race sounds via built-in Bluetooth speaker. Equipped with an adjustable steering wheel and expandable chassis, it suits users from 130 cm to 190 cm. Switch to gaming mode and experience the digital race world with 360-degree haptic feedback, gear shift paddles, and auto-centering steering. The Gokart PRO 2 includes a detachable self-balancing transporter: the Ninebot S MAX, capable of speeding up to 20 km/h*. *Please note that this product is not permitted on the public road. **Please wear a helmet and other safety protective equipment at all times. ***The pictures and videos shown are for reference only.
