Product	Beurer Body Analysis Scale BF500
SKU	cm-BF500
Brand	Beurer
Category	Beauty & Health
Minimum order quantity	1
Unit	—
Unit price	$59.00
Available quantity	0

Description

Diagnostic bathroom scale BF 500 Super Black Edition Stylish scale with practical Bluetooth function Keep an eye on your body data at all times, even when you’re on the go, with the Beurer BF 500 Diagnostic Bathroom Scale. The scale automatically transfers the measurements to the “beurer HealthManager Pro” app via Bluetooth® and displays them graphically there. The extra-large scale display remains invisible until the body measurement starts. Together with the contemporary black design, the scale is a real eye-catcher for your bathroom. Features Magic LED: Display appears only during measurement Easy-to-read digit size Free “beurer HealthManager Pro” app Simple: Electrodes made of brushed stainless steel with a darker finish Modern touch-sensor operation Standing surface made of 6-mm-thick safety glass High weight capacity of max. 180 kg Complete range of uses only available with the “beurer HealthManager Pro“ app Overload indicator if the maximum weight capacity is exceeded Handy switch-off function Specs Accessories are available for the product No Number of activity levels 5 Available units kg,lb,st Anti-fingerprint No Automatic switch-off Yes Automatic user recognition Yes Determines BMI,Calorie display (AMR),Calorie display (BMR),Bone mass,Body fat,Body weight,Body water,Metabolic age,Muscle percentage Closed underside No Connect product Yes Cross measurement No Digit height 40 mm Colour of digits white Display Yes Colour of the display background when switched on black Display height 6.0 cm Illuminated display No Display size 12.0 cm x 6.0 cm Display technology Magic LED Display width 12.0 cm EAN 4211125760113 Electrode material Brushed stainless steel with a darker finish Number of electrodes 2 Graduation for other analysis values 0.1 % Packaging size (L x W x H) 32.90 cm x 4.10 cm x 32.00 cm Shown on display BMI,Body fat,Body weight,Body water,Muscle percentage Weight (incl. packaging) 2.25 kg Hold function Yes Artikelnummer 76011 Interpretation of measured values No Medical device Europe No Number of memory spaces per user 30 Multilingual display No Gewicht (ohne Verpackung) 1.75 kg Overload indicator Yes Type of power supply battery-operated Pregnancy mode No Product designation Diagnostic bathroom scale Thickness of safety glass 6 mm Touch-sensor operation Yes Length of standing surface 30 cm Standing surface material Safety glass (standard) Size of standing surface 30 cm x 30 cm Width of standing surface 30 cm Switch-on technology Quick start Tare weighing No Type of transfer Bluetooth® Trend display No Number of users 8 Guarantee 5 years Maximum weight capacity 180 kg Weight graduation 100 g
