Description

Xiaomi Polarized Sunglasses Luke Aviator The Xiaomi Polarized Sunglasses Luke Aviator are designed for users who want lightweight everyday sunglasses with classic aviator styling, polarized lenses, and UV400 protection. With TAC polarized lenses, 100% UVA and UVB protection, a slim semi-round frame design, lightweight construction, and a comfortable temple structure, they are suitable for casual wear, business travel, driving, outdoor walking, and daily sun protection. Key Features Classic Aviator DesignTimeless aviator-inspired styling makes the sunglasses easy to match with casual outfits, business travel looks, and everyday wear. Polarized TAC LensesHelps reduce glare from bright surfaces such as roads, cars, water, and outdoor environments. UV400 ProtectionProvides up to 100% protection against harmful UVA and UVB rays for safer outdoor use. Comfortable Semi-Round FrameThe semi-round frame shape is designed to suit different outfit styles and face shapes. Lightweight Daily WearLightweight frame construction makes the sunglasses comfortable for longer outdoor use. Riding Bow Structured TemplesTemple design allows a proper movement range and a more comfortable fit. Aluminum-Magnesium Style BuildDesigned for a slim, durable, and lightweight feel suitable for driving, travel, and daily outdoor activities. Relaxed Eye ComfortPolarized and UV-protective lenses help reduce glare and eye fatigue in bright conditions.
