## Description

Anker Zolo Power Bank 20K 45W with Built-In Dual USB-C Cables The Anker Zolo Power Bank 20K 45W is positioned as a high-capacity portable charging solution for users who need stronger backup power, fast USB-C charging, and cable-free convenience while traveling, commuting, or working on the go. With a 20,000mAh class positioning, 45W title specification, built-in dual USB-C cables, and compact travel-friendly design, it is intended for users who want one power bank for phones, tablets, and compatible USB-C devices without carrying extra cables. Key Features High-Capacity Portable PowerDesigned for users who need more backup power than a standard compact power bank during travel, long workdays, or emergency charging. Built-In Dual USB-C CablesIntegrated USB-C cables allow direct charging without needing to carry separate cables. USB-C Fast Charging SupportBuilt for fast charging compatible USB-C smartphones, tablets, and accessories. Cable-Free Travel ConvenienceIdeal for users who want a cleaner setup with fewer loose cables in their bag. Dual-Device Charging SupportBuilt-in dual USB-C cable design makes it practical for charging more than one USB-C device when supported. Compact & Portable DesignDesigned to fit easily into a bag, pouch, or travel setup for daily carry. Useful for Apple & Android USB-C DevicesSuitable for USB-C iPhone models, Samsung Galaxy devices, iPad, Android phones, earbuds, and other compatible USB-C devices. Travel-Ready Backup PowerStrong option for flights, road trips, office use, commuting, and situations where wall charging is not available.
