Description

Sony MDR-ZX110AP Wired On-Ear Headphones The Sony MDR-ZX110AP is made for commuters, students and everyday listeners who want lightweight wired headphones for music and hands-free smartphone calls. Its strongest advantage is a portable folding design that combines 30mm dynamic drivers, cushioned earpads and an in-line microphone without requiring charging. Key Features 30mm dynamic dome drivers with neodymium magnets Closed-back on-ear design 12Hz to 22kHz frequency response Swivelling earcups fold flat for easier storage Self-adjusting headband and cushioned earpads In-line remote and omnidirectional microphone for supported smartphones 1.2m Y-type cable with a gold-plated L-shaped four-pole stereo mini plug Approximately 120g without the cable Main Feature Sections Clear Everyday AudioThe 30mm dynamic drivers and neodymium magnets are designed to deliver balanced, detailed sound across a wide frequency range. Portable Folding DesignThe swivelling earcups fold flat, making the headphones easier to place in a backpack, work bag or suitcase. Calls from the CableThe MDR-ZX110AP includes an in-line microphone and remote for calls on supported smartphones, although button functions can vary by device. Comfortable Wired ListeningA self-adjusting headband, padded earcups and lightweight construction support longer everyday listening without battery charging. Technical Specifications Model: MDR-ZX110AP Headphone type: Closed, dynamic on-ear headphones Driver unit: 30mm dynamic dome type Diaphragm: PET Frequency response: 12Hz–22,000Hz Impedance: 24Ω at 1kHz Sensitivity: 98dB/mW Power handling capacity: 1,000mW Cable: 1.2m Y-type Plug: Gold-plated L-shaped four-pole stereo mini plug Microphone: In-line omnidirectional electret condenser Weight: Approximately 120g without cable Compatibility Designed for supported smartphones with a compatible four-pole stereo mini connection Microphone, volume level and remote-button functions can vary by connected device What's in the Box Sony MDR-ZX110AP wired headphones Operating instructions
