## Description

Xiaomi Dual Zone Air Fryer 10L The Xiaomi Dual Zone Air Fryer 10L is designed for families and home cooks who want to prepare a main dish and side dish at the same time. Its standout benefit is the combination of two independently heated baskets with synchronized finishing, helping different foods reach the table together. Key Features 10L combined capacity with a 3.5L left basket and 6.5L right basket Independent heat sources for simultaneous dual-zone cooking SYNC function coordinates different settings so both baskets finish together L+R control applies the same time and temperature to both baskets 2700W total rated power with 360° hot-air circulation Cooking temperatures from 40°C to 230°C for tasks including drying, defrosting and roasting Nine preset modes plus a customizable M mode Light and sound reminder for turning food during cooking Food-contact-grade non-stick coating with dishwasher-safe baskets and accessories Automatic power-off when a basket is removed Main Feature Sections Two Baskets, Independent CookingThe 3.5L and 6.5L baskets have separate heat sources, allowing a main dish and side dish to cook with their own settings. Synchronized FinishingChoose different times and temperatures for each zone, then use SYNC so both baskets complete their cooking cycles together. Flexible Temperature ControlThe wide 40°C to 230°C range supports lower-temperature functions such as fruit drying and defrosting as well as high-temperature roasting. Convenient Cleanup and HandlingA metallic interior, non-stick food-contact surfaces, dishwasher-safe baskets and accessories, an anti-scald handle and basket-removal power-off simplify everyday use.
