Product specification sheet

Product	Xiaomi Smart Air Purifier Elite
SKU	cm-XIA-Y600
Brand	Xiaomi
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$430.00
Available quantity	100

Description

Xiaomi Smart Air Purifier Elite The Xiaomi Smart Air Purifier Elite is designed for households that want powerful air purification in larger living rooms, bedrooms and shared spaces. Its strongest advantage is a 600m³/h particle CADR combined with three-in-one filtration, real-time particle sensing and convenient smart controls. Key Features 600m³/h particle clean air delivery rate Suitable for areas up to 125m² when calculated at two air changes per hour Three-in-one filtration with 99.98% removal of 0.3µm particles under test conditions UV-C LED and plasma technology PM2.5 and PM10 particle monitoring High-iodine activated carbon for odour adsorption Sleep Mode sound pressure as low as 20.2dB(A) Xiaomi Home app control with compatible Google Assistant and Amazon Alexa devices Estimated filter lifespan of 10–14 months, depending on operating conditions Main Feature Sections High-Volume Air PurificationThe 600m³/h particle CADR is engineered to circulate purified air efficiently through larger indoor spaces. Multi-Stage Particle and Odour ControlThe three-in-one filtration system captures airborne particles, while high-iodine activated carbon and plasma technology help reduce common household odours. Real-Time Air MonitoringA dual-effect sensor monitors PM2.5 and PM10 particles, while the OLED display provides clear air-quality information. Quiet Night-Time OperationSleep Mode lowers sound pressure to 20.2dB(A), and the display can be switched off to reduce light at night. Technical Specifications Product model: Y-600 Particle CADR: 600m³/h Pollen CADR: 592m³/h measured value Recommended coverage: Up to 125m² based on two air changes per hour Particle sensors: PM2.5 and PM10 Display: OLED Product dimensions: Ø310 × 730mm Net weight: Approximately 6.5kg Connectivity Xiaomi Home app control Remote on/off control and scheduling Filter lifespan monitoring and mode settings Voice control through compatible Google Assistant and Amazon Alexa devices; service availability varies by country and language What's in the Box Xiaomi Smart Air Purifier Elite Filter Power cord User manual Coverage, filtration and noise figures are based on Xiaomi laboratory testing. Actual results vary with room layout, air conditions, settings and usage.
