Description

JBL Tune 780NC Wireless Over-Ear Headphones The JBL Tune 780NC Wireless Over-Ear Headphones are designed for users who want powerful JBL sound, stronger noise control, long battery life, and comfortable all-day listening. With Hi-Res JBL Pure Bass Sound, JBL Spatial Sound, Adaptive Noise Cancelling, Smart Ambient, 2-mic beamforming calls, Bluetooth 6.0, multi-point connection, and up to 76 hours of battery life, they are built for music, work, travel, calls, movies, and everyday wireless use. Key Features Hi-Res JBL Pure Bass SoundCustom 40mm drivers deliver deep, punchy JBL Pure Bass sound with rich and dynamic audio performance. JBL Spatial SoundCreates a wider, more immersive listening experience by making audio feel more spacious and natural. Hi-Res Wired Audio SupportUse the included USB-C to 3.5mm audio cable for higher-detail wired listening up to 10Hz–40kHz. Adaptive Noise CancellingAutomatically adjusts noise reduction to help reduce distractions while working, studying, commuting, or listening. Smart Ambient ModesAmbient Aware and TalkThru let you hear your surroundings or have quick conversations without removing the headphones. 2-Mic Beamforming CallsTwo beamforming microphones help capture your voice clearly while reducing background noise during calls. Bluetooth 6.0 ConnectivityProvides modern wireless streaming with lower power use and reduced latency for calls, movies, and music. Multi-Point ConnectionConnect to two Bluetooth devices and switch more easily between phone, tablet, laptop, or computer. Up to 76 Hours Battery LifeOffers up to 76 hours of music playback with ANC off and up to 50 hours with ANC on. Speed Charge SupportA 5-minute quick charge provides up to 5 additional hours of playtime. Fast Pair & Swift PairSupports Fast Pair by Google and Swift Pair by Microsoft for easier pairing with Android and Windows devices. JBL Headphones App SupportCustomize EQ, Personi-Fi 3.0, Smart Ambient settings, and other controls through the JBL Headphones app. Lightweight, Comfortable & FoldableSoft over-ear cups, padded headband, and foldable design make them practical for daily use and travel.
