## Description

Hoco HP46 Dual-Function Wireless Hair Styler The Hoco HP46 Dual-Function Wireless Hair Styler is designed for users who want one compact tool for hair straightening and curling without being tied to a power cable. With wireless use, three temperature settings, fast heating, automatic power-off, and Type-C charging, it is practical for travel, touch-ups, and daily styling. Its main value is portable styling convenience. The 4000mAh battery provides up to 1 hour of use at the second temperature level, while the compact body, storage bag, and flight mode make it easy to carry. Key Features Dual-function wireless hair styler Straightening and curling support 3 temperature settings 90–110°C, 120–140°C, 150–170°C Fast heating performance Stable temperature control Automatic power-off after 30 minutes of non-use Flight mode support 4000mAh rechargeable battery Up to 1 hour usage time Type-C charging RGB indicators for power, battery, and temperature modes Compact travel-friendly design Storage bag included Main Feature Sections Straighten and Curl with One Tool The Hoco HP46 works as both a hair straightener and curling styler, making it practical for different looks without carrying two separate devices. Three Temperature Settings Choose from three temperature ranges depending on hair type and styling needs: 90–110°C, 120–140°C, or 150–170°C. Wireless Styling Convenience The built-in 4000mAh battery allows cordless styling, making it useful for travel, quick touch-ups, and areas where a power outlet is not nearby. Automatic Power-Off For added safety, the styler automatically powers off after 30 minutes of non-use. Flight Mode Support Flight mode disables all outputs and buttons while still allowing charging, helping make the device safer and more convenient to carry. RGB Indicator Display RGB indicators show power, battery, and temperature mode status for easier daily operation. Technical Specifications Product Name: Hoco HP46 Dual-Function Wireless Hair Styler Product Type: Wireless hair straightener and curler Temperature Settings: 3 levels Temperature Range 1: 90–110°C Temperature Range 2: 120–140°C Temperature Range 3: 150–170°C Heating Performance: Fast heating, stable temperature Automatic Power-Off: After 30 minutes of non-use Flight Mode: Supported Rated Output Power: 18W Battery Capacity: 4000mAh Charging Time: Approx. 2.5 hours Charging Input: 5V/2A Charging Port: Type-C Usage Time: Up to 1 hour at second temperature level Material: PA46 + ABS + PC + electronic components Indicators: RGB power, battery, and temperature indicators Size: 215 × 40 × 35mm Weight: 180g Accessories: Charging cable, storage bag Battery Life Battery Capacity: 4000mAh Usage Time: Up to 1 hour at second temperature level Charging Time: Approx. 2.5 hours Charging Input: 5V/2A Type-C Actual usage time may vary depending on temperature level, hair type, styling duration, and battery condition. What’s in the Box Hoco HP46 Wireless Hair Styler x1 Charging Cable x1 Storage Bag x1 Important Safety Note The heating plates become very hot after heating. Do not touch the plates directly with your hands, and allow the device to cool before storing it.
