Description

Hoco HP64 Acoustic Wave Electric Toothbrush The Hoco HP64 Acoustic Wave Electric Toothbrush is designed for users who want a simple, rechargeable toothbrush for daily oral care. With three cleaning modes, two interchangeable brush heads, smart memory, travel lock, and IPX7 waterproof protection, it is practical for home, travel, and everyday brushing. Its main value is long battery life with easy daily use. The 2000mAh battery provides up to 75 days of use, while Type-C charging and low-noise operation make it convenient for regular routines. Key Features Acoustic wave electric toothbrush Three cleaning modes Gentle, whitening, and deep cleaning modes Two interchangeable brush heads included Efficient cleaning brush head Light-sensitive brush head Sweep frequency: 160–190 Swing range: 22–30 degrees Low noise operation Smart memory function Travel lock function 2000mAh battery Up to 75 days usage time Type-C charging IPX7 waterproof design Lightweight 138g body Main Feature Sections Three Cleaning Modes The Hoco HP64 offers gentle, whitening, and deep cleaning modes, allowing users to choose the brushing style that fits their daily needs. Two Brush Heads Included The package includes two interchangeable brush heads: one for efficient cleaning and one light-sensitive brush head. Smart Memory Function The toothbrush remembers the last used mode, making daily brushing faster and more convenient. Travel Lock Function The travel lock helps prevent accidental activation when carrying the toothbrush in a bag or travel case. Long Battery Life The built-in 2000mAh battery provides up to 75 days of use based on brushing twice daily for 2 minutes each time. IPX7 Waterproof Design The IPX7 waterproof body supports safe daily use in the bathroom and easier rinsing after brushing.
