Description

Hoco HP90 Electric Foot File The Hoco HP90 Electric Foot File is designed for simple at-home foot care, helping remove dry skin and calluses for smoother-feeling feet. With three interchangeable abrasive rollers, three speed levels, LED digital display, and Type-C charging, it is practical for regular personal grooming. Its main value is controlled foot care with multiple roller options. Choose rough, medium, or fine rollers depending on your foot care needs, then adjust the speed level for a more comfortable experience. Key Features Electric foot file Helps remove dry skin and calluses 3 interchangeable abrasive rollers Rough, medium, and fine roller options Washable abrasive rollers 3 working speed levels 10000rpm motor idle speed LED digital display 1200mAh rechargeable battery Up to 180 minutes usage time Type-C charging Splash-proof design for everyday use Includes cleaning brush Lightweight 157g body Main Feature Sections Three Abrasive Rollers The Hoco HP90 includes rough, medium, and fine rollers, allowing users to choose the right roller for different levels of dry skin and foot care. Three Speed Levels Low, medium, and high speed settings give better control depending on skin condition and comfort preference. Rechargeable Battery The built-in 1200mAh battery provides up to 180 minutes of use, with Type-C charging for convenient recharging. LED Digital Display The LED display makes it easy to check device status while using or charging the foot file. Washable Roller Design The abrasive rollers can be washed under water after use, helping keep the accessories cleaner and easier to maintain.
