Description

Coteci Multifunctional Telescopic Cord Storage Box Travel Edition The Coteci Multifunctional Telescopic Cord Storage Box Travel Edition is designed for users who want one compact travel accessory for charging, adapters, SIM tools, memory storage, and phone support. With a built-in 1-meter Type-C to Type-C cable, multiple adapters, SIM card storage, TF card slot, and phone stand, it is ideal for travel, work, school, and daily carry. Its main value is convenience in one small box. Instead of carrying many separate cables and adapters, users can keep essential charging and mobile accessories organized in a compact 70 × 70 × 23mm design. Key Features Multifunctional travel cord storage box Built-in 1m telescopic Type-C to Type-C cable Supports up to 60W Type-C to Type-C charging Type-C to Micro adapter Type-C to Lightning adapter USB to Type-C adapter USB to Lightning adapter USB to Micro adapter Built-in mobile phone stand SIM card tool included Nano SIM slot TF card slot Compact travel-friendly design Aluminum alloy + ABS + TPV material Lightweight 50g body Main Feature Sections 1-Meter Telescopic Cable The built-in Type-C to Type-C flat cable extends up to 1 meter, giving users a practical charging length while keeping the cable stored neatly inside the box. Multiple Charging Adapters The box includes Type-C, USB, Lightning, and Micro adapter options, making it useful for different phones, accessories, and charging needs. 60W Type-C Fast Charging The Type-C to Type-C cable supports up to 20V/3A 60W max, suitable for compatible devices and chargers that support this power level. Built-In Phone Stand The integrated mobile phone stand adds extra convenience for watching videos, video calls, or desk use while traveling. SIM and TF Card Storage The included SIM card tool, Nano SIM slot, and TF card slot help users manage small mobile accessories safely in one place.
