Description

Coteci 8-in-1 Data Cable Storage Box Travel Edition The Coteci 8-in-1 Data Cable Storage Box Travel Edition is designed for users who want one compact accessory for charging, adapters, SIM tools, and travel organization. With a built-in 28cm telescopic Type-C cable, multiple charging adapters, SIM storage, Micro SD slot, phone stand, and makeup mirror, it is practical for travel, office, school, and everyday carry. Its main value is reducing cable clutter. The compact storage box keeps essential adapters and tools in one place, helping users charge different devices and stay organized without carrying several separate accessories. Key Features 8-in-1 travel cable storage box Built-in 28cm telescopic flat cable Type-C to Type-C cable Supports up to 60W charging Type-C to Micro adapter Type-C to Lightning adapter USB to Type-C adapter USB to Lightning adapter USB to Micro adapter Mobile phone stand SIM card tool Nano SIM slot Micro SD slot Makeup mirror Compact travel-friendly design Lightweight 71g body Main Feature Sections 8-in-1 Travel Convenience The Coteci storage box combines charging cable, adapters, SIM tool, card slots, phone stand, and mirror in one compact accessory. 60W Type-C to Type-C Cable The built-in Type-C to Type-C cable supports up to 20V/3A 60W max, making it useful for compatible phones, tablets, and other Type-C devices. Multiple Charging Adapters The included Type-C, USB, Micro, and Lightning adapter options make it easier to connect different devices without carrying multiple cables. Built-In Phone Stand The storage box can also be used as a mobile phone stand, making it practical for watching videos, video calls, or desk use. SIM and Micro SD Storage The Nano SIM slot, Micro SD slot, and SIM card tool help keep small travel essentials organized and easy to access. Compact Everyday Carry With a slim 70 × 80 × 11mm size and 71g weight, it fits easily into a bag, pouch, pocket, or travel organizer.
