Description

Philips Bodygroom Series 1000 BG1024/16 The Philips Bodygroom Series 1000 BG1024/16 is designed for safe and easy body grooming, especially for smaller and sensitive areas. With a skin protection system, bidirectional trimming, showerproof design, and cordless AA battery operation, it is practical for daily grooming, travel, and quick touch-ups. Its main value is safer trimming with better control. The trimmer helps cut body hair as close as 0.5mm while reducing direct blade contact with the skin, making it suitable for sensitive grooming areas. Key Features Showerproof body and groin trimmer Skin protection system Safe trimming for sensitive areas Bidirectional trimmer 3mm click-on comb included Trims as close as 0.5mm without direct blade contact Wet and dry use Fully washable Cordless operation Includes 1 AA battery Up to 2 months runtime Ergonomic rubber grip Compact travel-friendly design No oil needed No need to replace blades Main Feature Sections Skin Protection System The Philips Bodygroom Series 1000 uses a skin protection system that helps guard sensitive areas while trimming body hair. Bidirectional Trimming The bidirectional trimmer cuts hair growing in different directions, making grooming easier and more efficient. 3mm Click-On Comb The included 3mm comb helps trim body hair to a fixed length for a cleaner and more controlled result. Wet and Dry Use The trimmer is 100% showerproof and fully washable, so it can be used in or out of the shower and cleaned easily after use. Cordless AA Battery Operation The trimmer runs on one AA battery, making it simple to use without charging cables. One Philips AA alkaline battery can provide up to 2 months of trimming power. Ergonomic Grip The rubber grip helps improve control and handling, especially when trimming harder-to-reach body areas. Technical Specifications Product Name: Philips Bodygroom Series 1000 Model: BG1024/16 Product Type: Showerproof body and groin trimmer Cutting Element: Bidirectional trimmer Cutter Width: 32mm Skin Comfort: Skin protection system Length Settings: 1 fixed length setting Comb Included: 3mm click-on comb Wet and Dry Use: Yes Washable: Fully washable Showerproof: Yes Operation: Cordless use Battery Type: AA battery Included Battery: AA battery included Runtime: Up to 2 months Handle: Ergonomic grip and handling Maintenance: No oil needed Blade Replacement: No need to replace blades Recommended Use: Body grooming, sensitive areas, travel, shower use, and quick trimming Battery Life Battery Type: AA battery Runtime: Up to 2 months Included Battery: 1 AA battery Runtime may vary depending on hair type, trimming frequency, and usage habits.
