Description

Philips Shaver 1000 Series S1151/00 The Philips Shaver 1000 Series S1151/00 is designed for users who want a fast, clean, and easy shaving experience at an accessible price. With 27 self-sharpening ComfortCut blades, 3D Floating Heads, wet and dry shaving, IPX7 waterproof protection, one-touch cleaning, and up to 40 minutes of cordless use, it is a practical electric shaver for daily face shaving, head shaving, and convenient grooming at home or while traveling. Key Features Fast, Clean ShaveDesigned to deliver a smooth and even shave with reliable everyday performance. 27 Self-Sharpening ComfortCut BladesComfortCut blades cut hair just above skin level for a comfortable, clean finish. Blade Performance Made to LastThe self-sharpening blades are designed to stay effective for up to 2 years. 3D Floating HeadsFloating heads move in three directions to maintain contact with the curves of your face. Wet & Dry ShavingUse it dry for convenience or with foam or gel for a refreshing wet shave. Showerproof DesignSuitable for use in the shower thanks to its waterproof construction. Suitable for Face & Head ShavingDesigned as a versatile grooming solution for both facial shaving and head shaving. One-Touch Open CleaningThe shaver head opens with one button so it can be rinsed easily under running water. Fully Washable BodyEasy to clean after use for better hygiene and maintenance. 40 Minutes Cordless RuntimeProvides up to 40 minutes of cordless shaving from a full charge. USB-A ChargingCharges using USB-A 5V power input, making it convenient for modern charging setups. Anti-Slip Ergonomic GripRubberized grip helps keep the shaver secure and comfortable in the hand, even when wet. Battery IndicatorShows low battery, empty battery, and charging status. Protective Cap IncludedHelps keep the shaving head clean and protected between uses or while traveling.
