Description

Clear TPU Band for Google Fitbit Air The Clear TPU Band for Google Fitbit Air is designed for users who want a stylish transparent replacement strap with a secure fit, breathable comfort, and daily workout durability. Made from flexible glacier-style TPU material with a trendy mecha texture, this adjustable wristband offers a lightweight feel, water-resistant design, stainless steel buckle, and multi-hole adjustment for everyday wear, gym use, running, and active lifestyles. Key Features Compatible with Google Fitbit AirDesigned specifically for Google Fitbit Air fitness tracker with a precise fit and secure connection. Transparent Glacier TPU DesignClear TPU material gives the strap a modern, clean, and stylish look. Trendy Mecha TextureThree-dimensional texture adds a sporty, technical style while improving grip feel. Lightweight & Flexible MaterialPremium TPU construction feels soft, flexible, and comfortable for long daily wear. Breathable Multi-Hole StrapMultiple air holes help reduce sweat buildup and improve airflow during workouts. Water-Resistant Daily UseSuitable for gym, running, sweat, rain, hand washing, and daily activities. Adjustable Wrist FitMulti-level adjustment holes allow a secure fit for different wrist sizes. Stainless Steel BuckleDurable metal buckle helps keep the strap firmly in place during movement. Extra Loop KeeperHolds the strap end neatly for a cleaner and more secure fit. Easy Installation & RemovalPrecise interface makes it easy to install or remove without looseness or displacement. Unisex StyleSuitable for women and men who want a sporty transparent replacement band.
