Product specification sheet

Product	Xiaomi Smart Band 10 Pro (Black)
SKU	cm-band10pro-bk
Brand	Xiaomi
Category	Smart Electronics
Minimum order quantity	1
Unit	—
Unit price	$78.00
Available quantity	100

Description

Xiaomi Smart Band 10 Pro The Xiaomi Smart Band 10 Pro is designed for users who want a slim premium fitness band with a larger AMOLED display, long battery life, advanced health tracking, built-in GNSS positioning, and professional sports features. With a 1.74-inch AMOLED screen, up to 2000 nits peak brightness, 150+ sports modes, sleep HRV monitoring, 5ATM water resistance, Bluetooth 5.4, and up to 21 days of battery life, it is a strong everyday wearable for fitness, health, outdoor workouts, and smart notifications Key Features 1.74-Inch AMOLED DisplayLarge display with ultra-narrow symmetrical bezels for a clearer and more premium viewing experience. Up to 2000 Nits Peak BrightnessUltra-bright sunlight display helps keep the screen visible outdoors. Ultra-Slim 9.7mm BodySlim and lightweight design makes the band comfortable for daily wear and sleep tracking. High-Strength Aluminum FrameDurable and lightweight frame gives the band a more premium look and feel. Up to 21 Days Battery LifeLong battery life supports extended use without frequent charging. Independent GNSS Five-Satellite PositioningSupports GPS, GLONASS, BeiDou, Galileo, and QZSS for outdoor route tracking without relying only on the phone. Sleep HRV MonitoringTracks average HRV during sleep to help evaluate recovery and sleep quality. Upgraded Sleep Algorithm 2.0Provides more precise sleep tracking, sleep stage analysis, sleep reports, and improvement recommendations. All-Day Heart Rate MonitoringContinuously tracks heart rate for daily health awareness and fitness monitoring. Blood Oxygen Monitoring SupportHeart rate sensor includes blood oxygen monitoring support for wellness tracking. 150+ Sports ModesSupports a wide range of workouts, from running and cycling to swimming and daily fitness activities. 5ATM Water ResistanceSuitable for swimming pools, shallow-water activities, and daily water exposure. Underwater Heart Rate MonitoringSupports improved swimming data with heart rate tracking during water-based workouts. Track ModeOptimized for running tracks with route correction to reduce corner drift and improve distance accuracy. Cycling ModeSyncs with a smartphone to show cycling data such as speed, heart rate, distance, calories, and workout duration. Bluetooth Heart Rate BroadcastCan transmit real-time heart rate data to compatible cycling computers or third-party apps. Dual-Device Message SyncSupports message notifications from two devices, useful for Xiaomi and iPhone dual users. 200+ Watch FacesOffers a wide range of watch face styles to match different outfits and moods. High-Voltage Linear MotorProvides stronger and sharper haptic feedback for notifications and interactions.
