Description

Xiaomi Portable Blender The Xiaomi Portable Blender is designed for users who want fresh smoothies, juices, and icy drinks anywhere without needing a full-size blender. With a 19,500rpm DC motor, 45W blending power, 300mL cup, ice-crushing 304 stainless steel serrated blade, 1300mAh battery, USB-C charging, and wireless portable design, it is a practical choice for smoothies, fruit drinks, protein mixes, travel, office use, gym routines, and quick daily refreshment Key Features Fresh Drinks in 40 SecondsBlends fruit drinks and smoothies quickly, making it easy to prepare fresh beverages on the go. 19,500rpm DC MotorDelivers strong blending performance for fruit, milk, water, and small ice cubes. 45W Blending PowerHelps create smoother drinks while keeping the blender compact and portable. Ice-Crushing Serrated Blade304 stainless steel blade supports multidirectional blending and can crush small ice cubes for cold summer drinks. 300mL Rated CapacityCompact size is ideal for personal smoothies, juices, and single-serving drinks. Makes Up to 12 Cups per Full ChargeHigh-capacity 1300mAh battery allows multiple blends before recharging. USB-C ChargingConvenient charging through power bank, car USB, laptop USB, or standard adapter. Wireless Portable DesignEasy to carry in a bag for work, travel, gym, outdoor activities, and daily use. Smooth Blending TextureDesigned to reduce residue and create a smoother drinking experience. Hands-Free Cleaning ModeAdd water, press the power button twice, and the blender runs a 40-second cleaning cycle. 360° Leak-Proof SealHelps prevent leaks when shaken or carried properly. Multiple Safety FeaturesIncludes double-press activation, Hall sensor safety function, battery temperature control, and charge/discharge protection. Food-Grade PCTG CupSafe, odorless, and BPA-free material for everyday drink preparation. Waterproof Charging Port DesignSilicone plug helps reduce water seepage around the charging area. Technical Specifications Product Type: Portable Blender Brand: Xiaomi Product Name: Xiaomi Portable Blender Model: XMZZB01PL Rated Capacity: 300mL Motor Speed: 19,500rpm Rated Power: 45W Operating Voltage: 7.4V Battery Capacity: 1300mAh Input: 5V 1A Charging Port: USB-C Blade Material: 304 stainless steel Blade Type: Ice-crushing serrated blade Cup Material: Food-grade PCTG, BPA-free Product Dimensions: 82 × 82 × 197mm Product Net Weight: Approx. 531g Cleaning Mode: 40-second hands-free cleaning cycle Safety Features: Double-press activation, Hall sensor safety, battery temperature control, battery charge and discharge protection Battery Life Battery Capacity: 1300mAh Cups per Full Charge: Up to 12 cups Charging Input: 5V 1A Charging Method: USB-C Actual number of cups depends on ingredient hardness, liquid level, ice use, blending time, and battery condition. How to Use Add small ice cubes if needed. Ice cubes should be less than 1.5cm³. Chop fruit and ingredients into small pieces, then add water or milk. Keep ingredients and liquid below the 300mL marker. Screw the lid shut, press the power button twice, shake gently, and wait for blending to finish. Shake during blending for a finer texture. Cleaning Instructions Add clean water, close the lid, then press the power button twice to start the automatic 40-second cleaning cycle. After cleaning, rinse and let the cup dry properly before storage.
