Description

Xiaomi Smart Ceiling Light D30 The Xiaomi Smart Ceiling Light D30 is designed for users who want comfortable, natural-looking smart lighting in smaller indoor spaces such as bedrooms, study rooms, hallways, dining corners, and compact living areas. With Xiaomi custom full-spectrum LED lighting, Ra97 high color rendering, 2700K–5700K color temperature adjustment, anti-glare UGR<19 design, IP50 dust resistance, and Xiaomi Home smart control, it delivers soft, clean, and modern lighting for everyday home use. Key Features Custom Full-Spectrum LED LightingDesigned to closely simulate natural sunlight for a more comfortable indoor lighting experience. Ra97 High Color Rendering IndexHelps restore the true colors of furniture, décor, clothing, food, and daily surroundings. 2700K–5700K Color Temperature RangeAdjust from warm relaxing light to cooler bright light depending on the mood, time, or activity. Anti-Glare UGR<19 DesignUses a micro-prism optical structure to reduce glare and create softer lighting for better visual comfort. Visible Flicker-Free PerformanceHelps provide a more comfortable lighting environment for daily use, reading, and relaxing. RG0 Blue Light Exemption RatingSupports eye-friendly lighting with an exempt-risk blue light rating. Ultra-Slim 6cm DesignClean minimalist design gives the ceiling light a modern look without feeling bulky. IP50 Dust ResistanceHelps prevent dust and small insects from entering the lamp body for cleaner long-term illumination. Built-In Wi-Fi Smart ControlConnects with Xiaomi Home for convenient lighting control through the app. Multiple Control MethodsSupports control through Xiaomi Home app, compatible remote control, Google, Alexa, and other supported smart home options. 8–15□ Lighting AreaSuitable for smaller rooms and compact indoor spaces.
