Description

Insta360 Foldable 2-in-1 Selfie Stick The Insta360 Foldable 2-in-1 Selfie Stick is designed for X series camera users who want a compact, travel-friendly accessory for handheld shots, invisible selfie stick angles, and quick tripod setup. With a foldable design, built-in tripod, 1/4-inch mount, invisible selfie stick effect, and compact 16.6cm folded size, it is ideal for travel, vlogging, action shots, group photos, and creative 360 filming. Key Features 2-in-1 Selfie Stick & Tripod DesignUse it as a selfie stick for moving shots or fold out the built-in tripod for stable shooting on flat surfaces. Invisible Selfie Stick EffectWhen used with compatible Insta360 X series 360 cameras, the stick disappears from footage for cleaner third-person and fake-drone style shots. Quick Flip-Up ShootingFlips up quickly so users can start shooting in seconds with compatible X series cameras. Compact Foldable DesignFolds down to just 16.6cm for easy storage in a bag, pouch, or travel kit. Easy On-the-Go CarryPractical for creators who want a small accessory that is ready for travel, daily use, and quick filming. Built-In TripodAllows hands-free shooting on flat surfaces for vlogs, group shots, time-lapse clips, and static camera angles. 1/4-Inch MountStandard 1/4-inch mounting point for compatible cameras and accessories. Fake-Drone & Third-Person ShotsHelps capture wide 360 perspectives, tracking shots, and creative angles without needing a drone. Lens Cap IncludedComes with a pocket-sized lens cap for extra protection when carrying the camera. Storage Cover with microSD SlotsIncluded storage cover can hold up to 2 microSD cards for convenient backup storage. Mini Remote CompatibleCompatible with the Insta360 Mini Remote, with a dedicated slot to store it safely. Mini Remote is sold separately unless included in the Remote Kit version.
